Waskul, Phillip Vannini, 2015-11-19 In

*Popular Culture and Everyday Life* Phillip Vannini and Dennis Waskul have brought together a variety of short essays that illustrate the many ways that popular culture intersects with mundane experiences of everyday life Most essays are written in a reflexive ethnographic style primarily through observation and personal narrative to convey insights at an intimate level that will resonate with most readers Some of the topics are so mundane they are legitimately universal sleeping getting dressed going to the bathroom etc others are common enough that most readers will directly identify in some way watching television using mobile phones playing video games etc while some topics will appeal more or less depending on a reader s gender interests and recreational pastimes putting on makeup watching the Super Bowl homemaking etc This book will remind readers of their own similar experiences provide opportunities to reflect upon them in new ways as well as compare and contrast how experiences relayed in these pages relate to lived experiences The essays will easily translate into rich and lively classroom discussions that shed new light on a familiar taken for granted everyday life both individually and collectively At the beginning of the book the authors have provided a grid that shows the topics and themes that each article touches on This book is for popular culture classes and will also be an asset in courses on the sociology of everyday life ethnography and social psychology All Children Are Gifted: Raising Confident and Aware Children Suzanne

Carter, 2016-07-11 This book has been written for parents soon to be parents teachers and caregivers who look into the eyes of a child and see infinite possibilities of good The main principles of this book are People and all of creation are innately good The resources of this goodness are directly available to everyone Suzanne Carter long time therapist and minister helps readers understand these ideas how to use them around children and how to implement them in their own lives Carter uses these principles in dealing with Effective Discipline Safety and wellbeing Teaching Right and Wrong Teaching children to trust themselves in such a way that they will not betray themselves All Children are Gifted Raising Confident and Aware Children communicates that adults must be willing to listen to their own inner knowing in order to provide a firm foundation for parenting and empowering children to become happy and well adjusted adults *The British National Bibliography*
