Sovereign Scriptural Segues J. George Lawrence, 2013-12-24 Many of Christ s disciples abandoned Him because they could not accept His hard teaching noted in the book of John chapter 6 This hard hitting book mirrors the words of eternal life that the Holy Scriptures provide enabling those who respond by grace favor power through faith to share not possess that very life The sovereign statements made by Jesus Christ require much of those to whom much is given and indicate the need for perseverance Christ will not believe repent continue segue in faith or persevere for us but will daily empower us to be more than conquerors of sin and the world We are not helpless against sin and temptation and we are commanded to stop sin in our lives by God s grace With a unique approach to examining the sovereign scriptural segues presented throughout the Bible this book will enlighten and hopefully inspire the reader to take a more serious look at all of God s Holy Word His messages to us that are critical for victorious Christian living o Metaplasmic memory words o Post modern Humpty Dumpty

interpretation of Scripture o Biblical acronyms o In depth analysis of Christ s exact words and parables o Conventional Greek grammar tenses Much of Scripture is dedicated to correcting the tragedy of error which is prevalent in the lion s share of Christian literature The truth that is often eclipsed is uncovered here This presentation aims to lead toward greater unity and conformity to God s Will To be or not to be in Christ *Bible People of Faith* Marcia Stoner,2010-12-01 A book for multigenerational use covering the lives of Jesus and 100 Bible people The book contains over 50 portraits on perforated pages of the Bible people so that they may be made into a biblical art gallery There are directions on how to make this art gallery with creative ways to make frames for the portraits This informational resource book for teachers also includes activities that can be used to add to most any study of Bible people These activities can be combined into a short term intergenerational study for 3rd grade through adults The activities also include directions for making a pictorial time line and a genealogy from Adam to Jesus An outline of each person and where to find the biblical references is included in the book as well as a page on how to combine activities into a study Interpretative Expository Summer Quarter 2021 (Jun-Aug) Church Of God In Christ Publishing House,2021-06-08 Sunday School across America is on a decline Biblical literacy is at an unprecedented low amongst believers and it seems as if there is no end to where this could lead to in our churches The COGIC Sunday School department desires to help aid literacy by providing quality supplemental lesson material Enlisting help from scholars across the country the department wrote the Interpretative Expository an exposition for each lesson of the Sunday School curriculum Also to assist pastors preachers missionaries and laity with sermon subjects and preparation our team has included a sample sermon outline from one of the lessons Reemphasize the message of Sunday School by preaching a message from the text of the lesson **The Forgotten Jesus** Robby Gallaty,2017-04-04 We have lost an essential understanding of Jesus his Jewishness Through the years our understanding of Jesus has been shaped by different cultural influences and many Western Christians have formed an inaccurate perspective of Jesus and his teachings beliefs and ways of acting In Robby Gallaty s deeply reformatory book he reveals the essential Hebraic culture customs and nuances many Christians have forgotten or never learned And he argues that as long as Jesus s Jewish context is misplaced and misunderstood our understanding of the Bible our faith and the church falls far short The Forgotten Jesus will open your eyes to The first century world in which Jesus lived and its connection to the time of the Old Testament The vast differences between the Western and Middle Eastern mind and how our modern approach to understanding the Bible is influenced far more by the Greeks and Romans than by a Hebrew way of thinking Essential textual connections between the parts of the Bible that we often overlook Important Hebraic perspectives on the Messiah to point out some errors many Christians have believed through the years Why Jesus s words on the cross about God forsaking him may have deeper meaning than we realize By uncovering the teaching of the first and second century rabbis and Christian theologians and highlighting little known Jewish idioms and traditions Gallaty takes Christians on a biblical journey to rediscover a forgotten Jesus from a

biblical perspective deepening your relationship with God
