Other Americans, Other Americas

Magdalena J. Zaborowska,1998 This volume brings together international scholars of American Studies whose work explores the issues of ethnicity race gender national and cross cultural identity in American literature and culture The ramifications of this discussion go far beyond the borders of North America in our era of European consolidation and global communications even the seemingly most homogeneous of national literatures find themselves at last responding to and acknowledging external cultural influences With articles ranging from an examination of early colonial texts through postcolonial theory to a theoretical discussion of Michael Wigglesworth s Diaries and the latest work of Maya Angelou Other Americans Other Americas will appeal to a wide academic audience as a significant contribution to the latest scholarship in the field of multicultural studies
