Wound Care Cheat Sheet:

Clinical Guide to Skin and Wound Care Cathy T. Hess, 2012-09-26 This useful resource will help both clinicians and institutions deliver wound care that is both appropriate for patient needs and cost effective for the institution. Featuring important new information on documentation regulations including helpful checklists and offering take away highlights in every chapter, this useful resource also provides new content on lymphedema management guidelines, negative pressure wound therapy, and capturing data using today's media capabilities. Part 1 covers the fundamentals of skin and wound care including assessment, treatment, prevention, nutrition, and documentation. Part 2 offers profiles and photos of hundreds of skin and wound care products, all categorized and alphabetized for easy reference. The book also includes a full color wound photo section, wound checklists, and much more. *Charting Made Incredibly Easy!* Springhouse, 2002 Part of the Springhouse Incredibly Easy Series™, this Second Edition provides current information about charting in a comprehensible, clear, fun, and concise manner. Three sections cover Charting Basics, Charting in Contemporary Health Care, and Special Topics. New features include expanded coverage of computerized documentation and charting specific patient care procedures plus current JCAHO standards both in the text and appendix, chapter summaries, and a new section with case study questions and answers. Amusing graphics and cartoon characters call special attention to important information. Entertaining logos throughout the text alert the reader to critical information. Thought Pillows identify key features of documentation forms, and the glossary defines difficult or often misunderstood terms. *Product Guide to Skin & Wound Care* Cathy Hess, 2019-11-04 Choose the best possible skin and wound care products to support your patient's skin health and wound healing with the invaluable *Product Guide to Skin and Wound Care*, 8th Edition.
