[The Trouble with Passion](#) Erin Cech, 2021-10-26 Probing the ominous side of career advice to follow your passion this data driven study explains how the passion principle fails us and perpetuates inequality by class gender and race and it suggests how we can reconfigure our relationships to paid work Follow your passion is a popular mantra for career decision making in the United States Passion seeking seems like a promising path for avoiding the potential drudgery of a life of paid work but this passion principle seductive as it is does not universally translate The Trouble with Passion reveals the significant downside of the passion principle the concept helps culturally legitimize and reproduce an exploited overworked white collar labor force and broadly serves to reinforce class race and gender segregation and inequality Grounding her investigation in the paradoxical tensions between capitalism s demand for ideal workers and our cultural expectations for self expression sociologist Erin A Cech draws on interviews that follow students from college into the workforce surveys of US workers and experimental data to explain why the passion principle is such an attractive if deceptive career decision making mantra particularly for the college educated Passion seeking presumes middle class safety nets and springboards and penalizes first generation and working class young adults who seek passion without them The ripple effects of this mantra undermine the promise of college as a tool for social and economic mobility The passion principle also feeds into a culture of overwork encouraging white collar workers to tolerate precarious employment and gladly sacrifice time

money and leisure for work they are passionate about And potential employers covet but won't compensate passion among job applicants This book asks What does it take to center passion in career decisions Who gets ahead and who gets left behind by passion seeking The Trouble with Passion calls for citizens educators college administrators and industry leaders to reconsider how we think about good jobs and by extension good lives *Make Your School Irresistible* Carrie Bishop (Instructional coach), Jessica Holloway, 2025 Guidance for school leaders on recruiting and retaining teachers by inviting them in investing in their potential and inspiring them to grow in their positions Cover Letters, Follow-Ups, Queries and Book Proposals Anne Hart, 2004 Once your cover letter is positioned first to be noticed then how do you position the letters to be noticed for the longest time in a number of situations What kind of thank you letters work best How do you ask for help in finding a job from a letter to a stranger acquaintance or business networking contact How do you write a cover letter that will never be misinterpreted as a sales pitch or autobiography How do you plan write and format an outstanding book proposal that lets the reader see the bottom line profit for the publisher Positioning your goal or project first means going where no one has gone before It's where the competition is missing Go where no one else has gone before when you plan write and format great cover letters follow up letters and book proposals Cover and follow up letters or proposals could be applied to book proposals book proposal cover letters written marriage proposals pre nuptials and courting Cover letters could apply to love letters letters to friends and relatives business contacts at trade shows or literary agents How do you use cover and follow up letters to position first your resumes proposals relationship communications marketing or sales connections and connections After cover letters how to you plan write and position first your follow up letters What types of letters bring people together Act as a catalyst Get you an interview Position you first for inclusion in a job business or relationship What type of letters position first attract and sell what you can do without looking like sales letters What types of cover and follow up letters are best sent with a resume Proceedings, 1985 **Business Correspondence Handbook** James Hamilton Picken, 1926 You Are Hired Mohammad Ashfak, 2020-12-19 Most young adults in India have no idea about charting their career I can say this with 100% confidence I have trained over 50 000 students in last 7 years as a well known Motivational Speaker and a Career Coach I am invited to different colleges across India to train students on how to crack interviews and get campus placements I am spilling the secrets related to cracking interviews getting hired and most importantly not be afraid of being fired Getting a pink slip actually makes you appreciate the true potential of your abilities or lack of it As a coach I know that educational qualification is just one of the gateways to grab a dream job You can get fired from a job but you cannot get fired from your gift So find your gift and you will always have work Take advantage of the amazing journey and experience I have been through to get your dream job The book will motivate every student and professional who is struggling to gain stability and better career goals **Killer ChatGPT Prompts** Guy Hart-Davis, 2023-08-07 Unlock the full capabilities of ChatGPT at work at home and in your day to day By now you've heard of
