

ERAS Letter of Recommendation

To the Director of Admissions:

It is a great honor to be able to write this letter of recommendation for Mr. Patrick Jones, a very talented medical student that I have had the pleasure of knowing for the past three years. Over the time that I have known him, Mr. Jones has shown himself time and time again to be an upstanding member of the medical community that performs excellently under situations of extreme stress. It is his goal to become an Emergency Medicine Resident, and I believe that he will succeed excellently in his residency as well as his future career.

I first met Mr. Jones as a second year medical student, where I headed his small group sessions on physiology and case reports. He soon proved himself to be one of the most adept students in a class of thirty, and was known for his well-researched remarks and thought-provoking questions. I was very impressed by his level of medical insight and understanding. He ranked among the top 10% of students that I have ever mentored, and I believe that he has the characteristics of an excellent future physician, which this residency in Emergency Medicine will help to further develop.

In addition to his impressive medical acumen, Mr. Jones also possesses excellent clinical skills that will be a great benefit to him in the future. He has an outstanding bedside manner that is comforting to both families and patients themselves. Additionally, he has received outstanding grades and notes in all of his rotations, and his mentors have always mentioned his ability to stay cool and logical in situations of extreme pressure. I believe that all of these traits will serve him excellently as a resident, and I recommend him highly without any reservation.

Sincerely,

Robert Young, MD
Professor of Medicine
Youboro University Medical Center
