PLAINS MEDICAL CITY

Andrea Via Smith is a registered nurse and has been in the healthcare industry for six years. Her job includes monitoring a patient's treatment, devising care plans, and providing medical care during emergencies. She believes that every single life matters, so she ensures that every day she handles her job with great careful attention.

She had her Bachelor of Nursing and Master of Science in Nursing degrees from Omond Medical University. She is a registered nurse and has written numerous nursing journal articles and papers. She also has a Certified Emergency Nurse Certificate.

When she's not taking care of patients, she goes rappelling and tries extreme sports. She uses her passion in sports in making her body healthy—like hitting two birds with one stone. She has also volunteered in many medical missions ever since she was a nursing student until now.
