

Hospital Volunteer Recommendation Letter Sample

To Whom It May Concern

It is a pleasure to write this reference letter for Richard Kline who studied under my supervision for 3 years. His performance as a student and later as a radiology lab intern at International Institute of Sciences has been praiseworthy and I'm delighted to recommend him as a volunteer for your hospital.

Richard is a tech-savvy medical professional and a quick learner who is always eager to learn new things. I have found him a diligent individual who is detail-oriented and always willing to go the extra mile to get things done the right way. One of his greatest strengths is his adaptability; he not only accepts constructive criticism and instruction relating his work wholeheartedly but is also open to adapt his work style to cater to the demands of the workplace.

Richard's outstanding abilities in providing medical and non-medical support will be a real asset to your hospital. Once again, I strongly recommend him as a volunteer at your hospital, where he can develop and apply his bright talent productively. Please send me an email or call me if you have further questions.

Sincere regards,
