Narrative Means to Sober Ends Jonathan Diamond, 2012-01-27 Working with clients who abuse drugs or alcohol poses formidable challenges to the clinician. Addicted persons are often confronting multiple complex problems from the denial of the addiction itself to legacies of early trauma or abuse to histories of broken relationships with parents, spouses, and children. Making matters more confusing, the treatment field is too often splintered into different approaches, each with its own competing claims. This eloquently written book proposes a narrative approach that builds a much-needed bridge between family therapy, psychodynamic therapy, and addictions counseling. Demonstrated are innovative, flexible ways to help clients form new understandings of what has happened in their lives, explore their relationships to drugs and alcohol, and develop new stories to guide and nourish their recovery.
