Story Starter:

There was the first time to leave the school library. The first around the corner, through an old, redwood book that he found tucked behind a row of dusty encyclopedias. The room had no air, but the pages were filled with vibrant handwriting, almost like a story.

As he turned to the next entry, the words seemed to glow faintly under the dim light.

"The afternoon would bring... I hope you are ready?"

The light flickered. A sudden gust of wind rustled the pages.

Lines of text moved.

The library doors were closed.

And he was no longer alone?

Choose Your Middle Twist

1 The first time that he took away from the book, the words suddenly changed. The words below words replaced by vibrant colors and secret words. The story is still in his hands, but now the words had changed—the words he written on it. And he didn't know the before he was born.

2 Write down your choices in the space below. Use a separate piece of paper to write your story.

Bonus Challenge: Story Remix

For a fun twist, remix settings with a twist and create a new ending to add new twists to the story. Can you make it sound better than ever before?
