Subject- Authorization Letter for Child to Travel

To,
Abhisaar Sharma
Head of Blue Moon Travels
P Block, Kolkata, India

Dear Sir,

I'm writing this authorization letter for my child to travel to the state of Maharashtra via the tourist bus of Blue Moon Travels. I'm writing this authorization letter as the parent of the child to seek permission on his travel with us. We are actually planning to shift from Kolkata to Mumbai due to professional reasons. We find the Blue Moon travels as the safest mode of this inter-state travel. Our child would also be traveling with us as we are making the permanent shift from here.

With this authorization letter, I request to seek permission for our child to travel with us. I hope that you understand our compulsion of traveling with the kid and approve our travel authorization letter for the child.

Thanks & Regards
Sachin Sharma

Holl,2007 **Citizenship, Migration and Social Rights** Beate Althammer,2023-08-25 The tensions between European conceptions of the welfare state and transnational migration have caused heated political public and academic debates over the last decades Historiography however has not yet explored in depth how European societies struggled with this dilemma filled relationship in the formative phases of modern welfare states from the late nineteenth century to the post war era The present volume contributes to filling this gap and thus to

putting a highly topical issue into historical perspective The focus is on Europe but with a wide geographic scope that reaches also across the Atlantic Following an introductory chapter eleven case studies deal with four themes The first part explores the agency of migrants in local level administrative and judicial procedures that controlled practical access to formal rights The second section investigates special regulations developed for seasonal labour migrants employed mainly in agriculture The third part looks at the role of urban social policies in attracting integrating but also excluding both domestic and foreign migrants The final section addresses the gradual globalisation of migrants social rights through international conventions The book will be of interest not only to historians of welfare migration and citizenship but also to social scientists as well as to graduate students in these fields
