Dear {Name of recipient},

My name is {Your Name}, and I am the {Your Title}. I am writing this letter in support of {Name of student} application to {the position/university}. I have known {Name of student} for {length of time} and I'm always impressed by his ability to lead and mentor his peers. He exemplifies humility and maturity in the classroom and during extracurricular activities. I therefore highly recommend him for {position}

{Name of Student} led students as the Vice President of the Student Safety Committee to make the campus safer. He helped the school implement new crosswalks in the student parking lot and drop-off zones after many students and parents voiced their concerns during a community forum. The local news stations covered the story as well and deemed {Name of Student} a "kid who truly cares about his peers."

In addition to his passion to lead, {Name of Student} has demonstrated an ability to support his classmates in my Honors English class. During a group project, {Name of Student} offered to tutor a classmate who was struggling with the early 20th-century literature we were exploring. He successfully helped that student better understand the symbolism of the content, improving the student's essays and insights during class discussions.

I highly recommend {Name of Student} as your Human Resources Assistant. He is an invaluable resource to this school, and I know he will make an incredible colleague.

Please let me know if you would like to discuss {Name of Student}'s character and attributes further. You can reach me by phone at 756-432-1198

Sincerely,
