outlines plans Most people often fail to plan their lives and this usually have disastrous effects on them Also in writing examination most candidates fail to plan their essays before answering selected questions As the old adage says If you fail to plan you plan to fail It is based on the above that in writing this book I dedicated the first chapter to the basics of essay writing Below is an excerpt of chapter one of the book After high lighting on the basics of essay writing I went ahead to discuss what paragraphs are and how they can be used in our daily writings This is followed by the use of punctuation marks Here again I have given a comprehensive write up as to how punctuation marks can be used to enrich our written works Other topics covered in the book are writing of narrative essays descriptive essays friendly letters semi formal letters summary writing argumentative essays speeches and talks report writing articles for publication expository essays and advertisement After a comprehensive logical and coherent treatment of each topic I followed up with sample questions outlines plans and essays These are only to serve as a guide to users of the book I will like to take this opportunity to entreat teachers to encourage pupils students whom they teach to learn how to write an outline plan and to use it when answering essay related questions not only with English language but with all other subjects that they deem it fit to apply Some people may not see the usefulness of the outline plan but it helps the pupil stude

Dilemmas of Culture in African Schools

Cati Coe,2005-11 In working to build a sense of nationhood Ghana has focused on many social engineering projects the most meaningful and fascinating of which has been the state s effort to create a national culture through its schools As Cati Coe reveals in Dilemmas of Culture in African Schools this effort has created an unusual paradox while Ghana encourages its educators to teach about local cultural traditions those traditions are transformed as they are taught in school classrooms The state version of culture now taught by educators has become objectified and nationalized vastly different from local traditions Coe identifies the state s limitations in teaching cultural knowledge and discusses how Ghanaians negotiate the tensions raised by the competing visions of modernity that nationalism and Christianity have created She reveals how cultural curricula affect authority relations in local social organizations between teachers and students between Christians and national elite and between children and elders and raises several questions about educational processes state society relations the production of knowledge and the making of Ghana s citizenry

The Impacts of Language and Literacy

Policy on Teaching Practices in Ghana Philomena Osseo-Asare,2021-03-15 This text critically examines changes in Ghanaian language and literacy policy following independence in 1957 to consider its impacts on early literacy teaching By adopting a postcolonial theoretical perspective the text interrogates the logic behind policy changes which have prioritised English local language or biliteracy It draws on data from interviews with teachers and researcher observation to demonstrate how policies have influenced teaching and learning Dr Osseo Asare s findings inform the development of a conceptual framework which highlights the socio cultural factors that impact the literacy and biliteracy of young children in Ghana offering solutions to help teachers combat the challenges of frequent policy changes This timely monograph will prove
