

Teacher Assistant Letter of Recommendation

Dear Ms. Angel,

I am writing this letter of recommendation for Amy Upton to be your next Teacher Assistant. Amy did her internship with me and I found her to be a pleasure to work with as well as a dynamic force in the classroom. She is extremely organized and very dedicated to her work.

Amy was able to develop a strong rapport with students almost immediately. I also found her to be helpful at faculty meetings and during meetings with parents. After a while, I found myself consulting Amy for my lesson plans and found that those collaborations were very well received by the students.

Amy has a strong desire to become a full-time teacher at some point, but she gets a great deal of satisfaction in being an assistant. I found her dedication and reliability to be invaluable throughout the school year. Amy also worked with a few other members of the faculty to put together summer learning programs that became extremely popular with all of the students.

Angel is an accessible teacher assistant who also takes the job of educating children very seriously. I would strongly recommend her as your next teacher assistant. If you have any questions or need more information, please feel free to call me at 555-343-3433 or email me at nancytate@email.com.

Sincerely Yours,

Nami Swan
