I would like to recommend Jay Leon. I had the pleasure to work with him for over three years and during this time I got to know also his potential. One area I emphasized in our group was teamwork. We just do a small part of the puzzle so teamwork and correct communication are essentials to complete our goals. Jay was a great example of how someone engaged in teamwork. For example, he would help other people in the team without him getting credit for it. He collaborated with the other departments that did the administrative job without being difficult. He helped with the training of the new hires. Jay was always available to help a coworker or to stay longer when it was needed.

He was also excellent at analyzing and helping solve problems for our unit. I had him in charge of extracting the data of the sales and analyze it. He did a great job during the time that he was here creating graphics and giving new ideas about how to do things in a more productive way. He became instrumental in our Directors Meetings in terms of directing the flow of the company. It was great to work with him because he is a hard-worker. During the time that he was here he was studying full time. I had some concerns when we hired him if he would be able to work our full-time schedule but it was never a problem. He was here for his schedule and would put in extra time whenever needed. He was always there smiling and making sure that the job was done. He never said no to any assignment.

Please do not hesitate to contact me about him if you have any questions.
