Maternal Child Nursing Care 7th Edition covers the issues and concerns of women during their childbearing years and children during their developing years. It uses a family centered problem solving approach to patient care with guidelines supported by evidence based practice. New to this edition is an emphasis on clinical judgment skills and a new chapter on children with integumentary dysfunction. Written by a team of experts led by Shannon E. Perry and Marilyn J. Hockenberry, this book provides the accurate information you need to succeed in the classroom, the clinical setting, and on the Next Generation NCLEX RN examination. Focus on the family throughout the text emphasizes the influence of the entire family in health and illness. Expert authors of the market leading maternity and pediatric nursing textbooks combine to ensure delivery of the most accurate up to date content. Information on victims of sexual abuse as parents and human trafficking helps prepare students to handle these delicate issues. Nursing Alerts highlight critical information that could lead to deteriorating or emergency situations. Guidelines boxes outline nursing procedures in an easy to follow format. Evidence Based Practice boxes include findings from recent clinical studies. Emergency Treatment boxes describe the signs and symptoms of emergency situations and provide step by step interventions. Atraumatic Care boxes teach students how to manage pain and provide competent care to pediatric patients with the least amount of physical or psychological stress. Community Focus boxes emphasize community issues, provide resources and guidance, and illustrate nursing care in a variety of settings. Patient Teaching boxes highlight important information nurses need to communicate to patients and families. Cultural Considerations boxes describe beliefs and practices relating to pregnancy, labor and birth, parenting, and women's health. Family Centered Care boxes draw attention to the needs or concerns of families that students should consider to provide family centered care.

**Maternity and Pediatric Nursing Second Edition Test Bank** Test Bankia,2016-04-23 The Maternity and Pediatric Nursing book by Ricci Kyle and Carman is a very informative book that includes comprehensive and straightforward concepts on the health of women and children All 53 chapters of the book tackles the normal expectations in pregnancy and n the growth and development of children It also discusses challenges faced during pregnancy until the post partum period as well as health issues of children from the womb to adolescence Every chapter of the book provides a strong knowledge base that will immensely help soon to be nurses pass critical exams For student nurses and those who are preparing to take NCLEX to study a 2000 page book is surely a daunting task especially if this book comprises only a small part of a study plan The amount of information therein is massive and memorizing facts and

critical thinking through the application of concepts would be a big challenge and overcoming this challenge is pertinent to the success of taking nursing exams especially the NCLEX The review questions that come after every chapter effectively test the student s application ability However it is unlikely for the nursing instructors and Nursing boards to use the same questions to test the ability of the students With the massive amount of information provided on the text book how would a student nurse determine which concepts to focus on The test bank we offer is streamlined to include important concepts to review which would help you gain control of your study plan by providing you concepts which nursing instructors and board examiners are likely to include in the examinations The test questions are carefully developed according to NCSBN s guidelines on question development How effective is this test bank in providing the help you need The effectiveness and quality of this test bank is ensured because those who contributed to the making of the questions and rationales are nurse educators themselves who are experts in their fields If you want to enhance your knowledge application and critical thinking skills further and if you want to pass your exams especially the NCLEX this test bank is the best option for you     **Ingalls & Salerno's Maternal and Child Health Nursing** Julie C.
