Social Psychology Kenneth S. Bordens, Irwin A. Horowitz, 2013-06-17 This second edition presents the core fundamentals of the subject in 11 manageable chapters while maintaining the book's scientific integrity. The research methods students need to understand, interpret, and analyze social psychological research are emphasized throughout. The streamlined approach provides an economical textbook for students and a flexible format that allows instructors to cover the entire book in a single semester. A book-specific Web site contains a free online study guide and a variety of teaching tools. An Instructor's Manual, Test Bank, and a Computerized Test Bank are also available. *An Introduction to Social Psychology* Miles

Hewstone, Wolfgang Stroebe, 2021-01-05 This definitive resource in social psychology includes engaging study tools designed to help students grasp the underlying theories and the latest research in the field. In the 7th edition of *An Introduction to Social Psychology*, students will discover a wealth of tools to help them understand the theories and fundamental knowledge in the ever-evolving field of social psychology. With contributions leading psychologists, this feature-rich edition includes Theory Boxes, Research Close-ups, and Lab Boxes to help cement students' understanding of the study material. This essential study guide has been engaging and educating students on social psychology theories and research for over 34 years. For students entering into the world of social psychology for the first time, this book covers foundational topics such as The history of social psychology throughout Europe. Updated research methods and newly developed theories. In-depth looks at social cognition, aggression, prosocial behavior, and relationships. Strategies for changing attitude and behavior. Critical study materials for multiple choice testing. The combination of traditional academic study with cohesion of topics, accessibility of material, and pedagogy in this 7th edition makes it a definitive resource for both instructors and beginning psychology students alike. *The Investment Advisor Body of Knowledge + Test Bank* IMCA, 2015-03-16 The complete body of

knowledge for CIMA candidates and professionals. The 2015 Certified Investment Management Analyst Body of Knowledge Test Bank will help any financial advisor prepare for and pass the CIMA exam and includes key information and preparation for those preparing to take the test. CIMA professionals integrate a complex body of investment knowledge ethically, contributing to prudent investment decisions by providing objective advice and guidance to individual and institutional investors. The CIMA certification program is the only credential designed specifically for financial professionals who want to attain a level of competency as an advanced investment consultant. Having the CIMA designation has led to more satisfied careers, better compensation, and management of more assets for higher net worth clients than other advisors. The book is laid out based on the six domains covered on the exam: I Governance II Fundamentals statistics finance economics III Portfolio Performance and Risk Measurements IV Traditional and Alternative Investments V Portfolio Theory and Behavioral Finance VI Investment Consulting Process. *Psychology* James S.
