

Test 2 answer key with extra explanations

Reading

Part 1

Questions 1–5

1 The correct answer is A: Jenny says, 'I remember you said you wanted to visit a few interesting cities in the UK. This might be a good way to do it.' This is suggesting a way for Lara to do some sightseeing. The website offers discounts on tickets, so Lara could travel to different cities more cheaply. **B** is not the correct answer because Lara has already mentioned that she wanted to visit some interesting cities in the UK, not that she wanted to buy cheap train tickets. **C** is not the correct answer because Jenny is recommending that Lara should do something, not inviting Lara to do something with her.

2 The correct answer is C: 'The unusual story behind candy' in the notice are the 'surprising facts about sweets' in the answer. **A** is not the correct answer because a historical expert will be talking about sweets, not members of the audience. **B** is not the correct answer because the lecture will be about sweets, not sweet shops.

3 The correct answer is B: Dan has borrowed a book from the library. Jack wants to use this book, so in this message, he is asking Dan to tell him when the book is back in the library, so he can go and borrow it himself. **A** is not the correct answer because Jack knows the book is suitable for his project. He is not asking for Dan's opinion. **C** is not the correct answer because Jack has not borrowed the book yet, he would like to borrow it in the future. Jack is not recommending the book to Dan. Jack wants the book to use himself.

4 The correct answer is A: 'use within six weeks' on the label means eat before six weeks have passed, or 'a maximum of six weeks'. 'After opening' on the label means 'after you start using it' in the answer. **B** is not the correct answer because the label says that the sauce must be stored in the fridge after it is opened, not as soon as it is brought home from the shop. **C** is not the correct answer because you don't need to know exactly when you bought the sauce – although you do need to know when you opened it, so you can stop using it after six weeks.

5 The correct answer is B: 'a certain period' in the answer refers to 'two months' in the notice. The first lesson (session) is free if a student registers for two months of lessons. **A** is not the correct answer because the teacher only offers lessons for people over 18, not 'anyone', which would include people aged under 18. **C** is not the correct answer because the notice mentions 'all abilities'. This means that beginners are welcome too. So students must not have reached a particular level in order to attend.
