Bejarano, 2013-08-15 During the past decade racial ethnic minority women have made significant strides in U S politics comprising large portions of their respective minority delegations both in Congress and in state legislatures This trend has been particularly evident in the growing political presence of Latinas yet

scholars have offered no clear explanations for this electoral phenomenon until now In *The Latina Advantage* Christina E Bejarano draws on national public opinion datasets and a close examination of state legislative candidates in Texas and California to demonstrate the new power of the political intersection between race and gender Underscoring the fact that racial ethnic minority women form a greater share of minority representatives than do white women among white elected officials Bejarano provides empirical evidence to substantiate previous theoretical predictions of the strategic advantage in the intersectionality of gender and ethnicity in Latinas Her evidence indicates that two factors provide the basis for the advantage increasingly qualified candidates and the softening of perceived racial threat leading minority female candidates to encounter fewer disadvantages than their male counterparts Overturning the findings of classic literature that reinforce stereotypes and describe minority female political candidates as being at a compounded electoral disadvantage Bejarano brings a crucial new perspective to dialogues about the rapidly shifting face of America s electorate

tapestry of Texas from A to Z When Texas Prison Scams Religion Michael G. Maness, 2023-05-22 When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The

underbelly TDCJ s executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars
