Election Administrator's Manual ,2003 Upending American Politics Theda Skocpol,Caroline Tervo,2020 The election of Barack Obama in 2008 was startling as was the victory of Donald Trump eight years later Because both presidents were unusual and gained office backed by Congresses controlled by their own parties their elections kick started massive counter movements The Tea Party starting in 2009 and the Resistance after November 2016 transformed America s political landscape Upending American Politics offers a fresh perspective on these recent upheavals tracking the emergence and spread of local voluntary citizens groups the activities of elite advocacy organizations and consortia of wealthy donors and the impact of popular and elite efforts on the two major political parties and candidate led political campaigns Going well beyond national surveys Theda Skocpol Caroline Tervo and their contributors use organizational documents interviews and local visits to probe changing organizational configurations at the national level and in swing states This volume analyzes conservative politics in the first section and progressive responses in the second to provide a clear overview of U S politics as a whole By highlighting evidence from the state level it also reveals the interplay of local and national trends **North Carolina Manual** ,1989 Legislative Manual and Political Register of the State of North Carolina North Carolina.
