

## INTRODUCTION OF GUEST SPEAKER

This day will be noted us to be one of those rare and wonderful moments because of our invited guest. Her name echoes the essence of service, dedication and compassion.

Her achievements even when she was still students are truly commendable as they mirror her great sense of commitment, hard work and passion. Her non-compliance to mediocrity made an indelible mark in the history of our university when she graduated as the First "Summa Cum Laude" in year 1972.

Bold-spirited, she hurdled countless challenges in her professional career. Hence, in year 1983, she earned her degree of Doctor of Education from the University of the Philippines, Dilliman Campus with her dissertation entitled "Dimensions of Academic Freedom among Social Science Faculty of Higher Education Institutions in Metro Manila."

Her portfolio of Professional Development and Training is fascinating as each experience gives life to her being a woman for others and a woman of God. To name a few, she had a training in Moral Development and Education in the University of Minnesota, Minneapolis, USA. She is also a part of the group study Exchange Program to North New Jersey, USA. In 2006, our speaker had a training in fund-raising and communication at the University of Tunku Abdul Rahman, Petaling Jaya, Malaysia.

She is a precious gem of the University. She has held various positions from being a director, dean, vice-president and eventually President of this institution.

Being a mother of three equally gifted children is a glory she always keep. Undoubtedly, she is a loving wife and a praise-worthy homemaker.

A woman I personally admire because of her wisdom, generous heart, caring spirit and unconquerable principle.

Please join me in welcoming Dr. Grace C. Jimeno-Rebollos.
