

MBA PERSONAL STATEMENT

It is my belief that no matter where we are or what we are doing in life, we are always developing applicable and important skills that can be utilized throughout our lives. For the last ten years, I have been advancing my personal leadership qualities with the United States Military in a managerial position. It has been a life changing experience which has shaped me into the motivated and disciplined individual I am today, ready to take the next step in my academic advancements, which is this MBA from the prestigious XX University. While I am confident in the managerial and leadership skills I acquired through the military, I know I have so much more to expand on if I want to be a truly viable candidate in the job market. The workforce grows more and more competitive every day, and employers are constantly searching for unique individuals who exude varied life experiences. My time in the military gave me that diversity, and a more intensive education is now the only thing I am missing.

To be a soldier shows that you have discipline, courage, and perseverance, but to be an educated soldier shows that you can put those qualities into your personal endeavors as well. It shows you have the willpower to devote your strengths to an intensive academic program. This MBA will legitimize me as someone who is not only effective in the field, but has the focus to better themselves so they are effective on multiple fronts. I know I need to become a more well-rounded individual, and the all-encompassing nature of this MBA program will be a crucial complement to the tenacity, ambition, and passion which I already exude.

I have aspirations to achieve great things in the entirety of my career, combining my passion and perseverance with the practical skills instilled in me through this MBA program. I need an MBA that challenges me, and opens the doors to a variety of business opportunities in my future. I am confident I have found such a program at XX University. By learning among a talented plethora of peers and professors, I will be advancing myself in unique ways each and every day. I am confident XX University is where I belong and I hope you will give me the opportunity to prove that.
