Section B

Text 2

The text below describes a bus journey. Read it carefully and answer Questions 5 – 13 in the Question Paper Booklet.

Section B [20 marks]

Text 2

Refer to Text 2 on page 3 of the Insert for Questions 5-13.

- 1 The highway stretched ahead of us, a seemingly endless grey ribbon. The man seated opposite me – a yellow-haired foreigner in sandals and khaki shorts – had struck up a conversation with the young Chinese man next to me. On the floor of the bus, under the foreigner's feet, was a canvas bag bulging with maps; he was, apparently, an engineer from Denmark and was full of questions. He wanted to know all about Chinese computers and keyboards. He wanted to know what the Chinese man did for a living. ("A student," he replied.) Out came a map from the engineer's bag. Now, with pen poised, he demanded to know more. He wanted to know about methods of road construction, systems of irrigation, types of farming.... 01

Sri Lanka

Education Sector Assessment Halil Dundar, Benoit Millot, Michelle Riboud, Mari Shojo, Harsha Aturupane, Sangeeta Goyal, Dhushyanth Raju, 2017-06-16 A country's education system plays a pivotal role in promoting economic growth and shared prosperity Sri Lanka has enjoyed high school attainment and enrollment rates for several decades However it still faces major challenges in the education sector and these challenges undermine the country's inclusive growth goal and its ambition to become a competitive upper middle income country The authors of Sri Lanka Education Sector Assessment Achievements Challenges and Policy Options offer a thorough review of Sri Lanka's education sector from early childhood education through higher education With this book they attempt to answer three questions How is Sri Lanka's education system performing especially with respect to participation rates learning outcomes and labor market outcomes How can the country address the challenges at each stage of the education process taking into account both country and international experience and also best practices Which policy actions should Sri Lanka make a priority for the short and medium term The authors identify the most critical constraints on performance and present strategic priorities and policy options to address them To attain inclusive growth and become globally competitive Sri Lanka needs to embark on integrated reforms across all levels of education These reforms must address both short term skill shortages and long term productivity As Sri Lanka moves up the development ladder the priorities of primary secondary and postsecondary education must be aligned to meet the increasingly complex education and skill requirements

Who are Universities For? Tom Sperlinger, Josie McLellan, Richard Pettigrew, 2018-09-11 The university system is no longer fit for purpose UK higher education was designed for much smaller numbers of students and a very different labour market Students display worrying levels of mental health issues exacerbated by unprecedented levels of debt and the dubious privilege of competing for poorly paid graduate internships Meanwhile who goes to university is still too often determined by place of birth gender class or ethnicity Who are universities for argues for a large scale shake up of how we organise higher education how we combine it with work and how it fits into our lives It

includes radical proposals for reform of the curriculum and how we admit students to higher education with part time study currently in crisis in England becoming the norm A short polemical but also deeply practical book Who are universities for offers concrete solutions to the problems facing UK higher education and a way forward for universities to become more inclusive and more responsive to local and global challenges
