Clinical Instruction & Evaluation Andrea B. O'Connor, 2014-05-21 Clinical Instruction and Evaluation A Teaching Resource Third Edition is designed to guide instructors through the learning process by providing clinical nurses with the theoretical background and practical tools necessary to succeed as a clinical nursing instructor The theory used to support the practice of clinical education is presented in a straightforward easy to understand manner This text offers approaches to structuring clinical experiences for students evaluating student performance and solving problems encountered in clinical settings The Third Edition has been completely revised and updated and now includes a larger focus on teaching people from other cultures and traditions as well as the critical issues around the nursing shortage The nursing shortage has increased the demand for nursing educators and as a result nursing programs are now turning to clinically expert nurses to play a role in the educational process Clinical Instruction and Evaluation helps the clinical nurse make a smooth transition to nurse instructor Key Features Emphasizes the clinical component of the faculty role Employs a practical approach to make the process of teaching in the complex clinical area accessible Chapters can be used independently allowing instructors to use

content creatively without being bound by the organization of the text Unique focus on the interpersonal relationship between the instructor and student found in specific chapters 15 16 as well as throughout the text Provides concrete examples for instructors to leverage in the classroom to elicit critical thinking and clinical judgment responses from students

*CREATIVE LONG-TERM CARE ADMINISTRATION* George Kenneth Gordon, Leslie A. Grant, Ruth Stryker, 2003-01-01 The prior three editions of this book were extremely well received for use in undergraduate and graduate courses in long term care administration and they were also popular as fundamental resources with practitioners as well as for an array of other long term care practitioners and professions including housing managers board members teachers students administrators owners and health care professionals who are seeking new directions in the field This the fourth edition has been extensively revised There is for example the fundamental updating throughout to reflect structural and regulatory changes that have been occurring in the field as well as the introduction of recent research findings evolving ideas and new practices In addition there are new perspectives introduced by nine new chapter authors plus three entirely new chapters monitoring clinical outcomes spiritual care and using information technology The book is divided into six sections The Evolution of Long Term Care Developing the Organization Human Resource Management Optimizing Health Care Outcomes Creating a Supportive Living Environment and Creating a Better Future This new edition also has an additional author Dr Leslie Grant whose seasoned scholarship and visionary leadership will provide important additional insight for the reader The ideas presented are intended to provide a better understanding of the long term care environment and to suggest ways of applying interdisciplinary knowledge for the administrator in this setting Public Health Service (Exclusive of National Institutes of Health) United States.
