

Information Technology Service Level Agreement (SLA)

Our Mission

To promote, enable and lead appropriate technology solutions that are aligned with citywide goals and objectives in order to improve and enhance city services.

Purpose of Document

This service level agreement (SLA) provides the basis for managing the services provided and relationships between the Information Technology (IT) Division and the other city divisions. This agreement describes how user service requirements are understood and addressed. This creates a realistic service expectation level.

The service levels in this policy have been mutually agreed upon by a group of staff representatives from every city division and the IT Division. New employees will receive and sign this policy as part of the employee handbook.

The benefits of this service level agreement policy are:

- **Alignment of IT services to city needs**
- **Improved communication between the city staff and IT staff**
- **Improved customer satisfaction**
- **Continual improvement of IT services**

The benefits of this service level agreement policy are:

- **Alignment of IT services to city needs**
- **Improved communication between the city staff and IT staff**
- **Improved customer satisfaction**
- **Continual improvement of IT services**

This policy will be reviewed annually by a team representing each city division and the IT Division and updated if necessary.
