Gentlemen:

In reply to your advertisement in the Bristol News of June 2, I wish to say that I am seeking the kind of position your offer. I am nineteen years old, and expect to graduate from the Bristol Technical High School this month. During three years of the course I have been working with many kinds of machinery and have helped to set up and repair the machinery in one of the school shops. My father is a chauffeur, and I helped him in repairing automobiles. Last summer I took a party of excursionists on a three weeks'tour. While we were in West Epping, away from repair shops, my machine was badly damaged. I had to repair two cylinders and rig up a temporary steering wheel.

Enclosed you will find a copy of my resume-and my photo. I believe they may be found satisfactory. Concerning my character I am permitted to refer to Mr. H. L. Sled, Head of the Mechanical section of the Bristol Technical High School.

Yours truly,

Palette
