

Unsolicited Proposals

Contracts with Metro Vancouver (MV) generally result from either a formal solicitation process through public advertisement or informal requests by private invitation. This includes contracting for the supply of goods, services and construction as well as other business opportunities.

MV also welcomes thoughtful, non-traditional, value-added ideas in the form of unsolicited proposals. An unsolicited proposal is one that is not the result of either a public advertisement or an informal request by MV.

MV's goals are to:

- encourage innovative and creative business solutions
- ensure the attainment of value for public funds or resources
- provide ways for qualified proponents to have the opportunity to do business with MV and to be treated fairly.

The procedures below will help guide proponents on how to submit such proposals. They also explain what happens to a proposal after MV has received it.

Public Notification

If a proposal is evaluated favourably, prior to a contract award MV will advertise a *Notification of Intent to Contract* primarily on the MV website. It informs all potential contractors that negotiations leading to an award with a named contractor will take place without a competitive process, unless others object.

If the *Notification of Intent to Contract* results in one or more viable objections, MV staff may engage in a competitive process, negotiate with one or more firms concurrently or cancel the entire process.

Procedures

An unsolicited proposal may proceed through the following four stages. At any stage, MV reserves the right to cease its review or consideration of any unsolicited proposal.

Stage 1

Upon receipt of an unsolicited proposal, MV may vet the proposal based on the information received to determine if further investigation is warranted.

Stage 2

If it is determined that the proposal warrants further review, MV may assign staff to investigate.

Stage 3

If the proposal is evaluated favourably, prior to negotiations and award of a contract, MV will advertise a *Notification of Intent to Contract*.
