 Training Manual* Nina Amir, 2014-03-18 If you want to write a book that's going to sell to both publishers and readers you
 need to know how to produce a marketable work and help it become successful It starts the moment you have an idea That's
 when you begin thinking about the first elements of the business plan that will make your project the best it can be The
 reality is that you don't want to spend time and energy writing a book that will never get read The way to avoid that is to
 create a business plan for your book and evaluate it and yourself through the same lens that an agent or acquisitions editor
 would The Author Training Manual will show you how to get more creative and start looking at your work with those high
 standards in mind Whether you're writing fiction or non fiction or intend to publish traditionally or self publish author Nina
 Amir will teach you how to conduct an effective competitive analysis for your work and do a better job at delivering the goods
 to readers than similar books that are already on the shelf Packed with step by step instructions idea evaluations sample
 business plans editor and agent commentaries and much more The Author Training Manual provides the information you
 need to transform from aspiring writer to career author **Word for Microsoft 365 for Lawyers Training Manual**
