

Stiga Park Compact 16 4W D

Our smallest 4W D is the perfect choice for those of you who wish to enter the world of four wheel drive.

The clever combination of a front mounted deck with genuine articulated steering makes it easy to mow around bushes, trees, fences and into corners. The back wheels follow the track of those up front. You no longer need to worry about the rear section bumping into obstacles and you can fully concentrate on mowing.

The front mounted deck is easy to use, clean and maintain. There are a 95 cm and a 105 cm Combi deck with Multiclip and rear discharge. The Multiclip system cuts and fertilises the lawn at the same time. No need for raking or emptying a collector.

The Compact 16 4W D comes with a lot of features like electric start, foot-controlled attachment lift, adjustable comfort seat with high backrest and wide 16" tyres.

Equipped with an environment friendly and quiet engine. The hydrostatic drive allows you vary the speed infinitely.

B. Taylor, 2016-06-22 Excerpt from Handbook for Rangers Woodsmen 1 Object The object of this volume is to serve as a guide for inexperienced men in woods work While in its preparation the author had primarily in mind the problems which confront a forest ranger in Government State or private employ and especially rangers on National Forests yet the suggestions offered may be of use to others whose work or recreation takes them into rough and unsettled regions The book is not intended and should not be considered in any way as an official or even a semi official publication the use of which is obligatory upon National Forest Rangers It has been prepared however by permission of the Secretary of Agriculture whose criticisms have been carefully considered and at whose request certain revisions have been made and is strictly in the nature of a private publication prepared after eight years of experience in field work of the United States Forest Service It is not placed before the public with any intention or desire on the part of the author to insist that opinions of inexperienced persons must coincide with the ones expressed here before satisfactory results may be obtained On the contrary the absolute necessity for exercising ingenuity and originality of thought in so far as this is practicable is thoroughly appreciated and is suggested as the most effective means of extrication

from all difficulties encountered especially those the solution of which cannot be touched upon here 2 Brevity Recognition of the fact that volume after volume might still fail to cover in detail any one of the subjects discussed here makes it at once apparent that only the most essential points can be covered in a book of this size Consequently only such problems as have been found to be especially difficult for the inexperienced woodsman are considered 3 Technical Terms These have been avoided so far as such a course seemed practical and all unusual trade or professional terms with which the beginner can not be expected to be familiar have been defined in the Glossary About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
