Perry,2012-08 I know God still speaks to His children today He has spoken in the past He still speaks today and will continue speaking in the future to anyone Throughout my Christian life God has spoken to me He speaks through His Word His Holy Spirit s gifts of utterance preachers teachers dreams my spouse and friends through songs and music subtle impulses and through dramatic experiences Once He has my attention He will do everything necessary to impress upon my spirit the things He wants to teach me Next to learning how to recognize His voice the recurring theme has been that He is teaching me the importance of obedience He wants me to stop and wait upon the Lord Next He wants me to listen to what He is saying to say to me because my sheep know my voice He wants me to follow Him since He already knows the way that I take And finally He asks me to be faithful and obedient because For other foundation can no man lay than that is laid which is Jesus Christ Now if any man build upon this foundation gold silver precious stones wood hay stubble Every man s work shall be made manifest for the day shall declare it because it shall be revealed by fire and the fire shall try every man s work of what sort it is Submit your life to Jesus Christ and allow Him to be your Lord He will speak His will for your life in clear undeniable ways Intimate Moments Evangeline Rentz,2016-02-10 We often find ourselves longing to fulfill the desire for love in superficial ways We experiment interact socialize and continue to search for love in all the wrong places and with all the wrong people In order to understand the depth and power of love however there is only one we must seek The Lord is the only one who will be able to teach us the true definition and understanding of love Therefore its time we embrace love under His design Love is indeed passionate and fulfilling but it requires deep commitment and sacrifice It is during your intimate moments with Christ that true love is planted And it is through these moments that the seed is fertilized and nurtured to grow blossom and reproduce love **The Campus Murders** Ellery Queen,2015-09-29 A college student s disappearance threatens to upend the race for governor Tisquanto is a quiet college town and its chief of police wants to keep it that way For years the only trouble the students gave the locals was the occasional fraternity party that got out of hand But now there are kids on campus calling for revolution When the governor s right hand man Mike McCall comes to Tisquanto the chief of police promises he ll keep the students in line no matter how many bones he has to break But McCall isn t here about student unrest He s come to save a life The daughter of
