Storage Navigator Modular Guide:

The Practical Guide to People-Friendly Documentation Adrienne Escoe, 2001-06-30 This innovative guide brings together practical solutions to the documentation challenges faced by today's organizations. From company policies and desk instructions to Baldrige and the ISO 9000 requirements, it applies a customer and quality-based systems approach to streamlining and managing your documentation system. This second edition is an organized toolbox of powerful methodology and metrics that shows companies how to steer clear of cumbersome and obsolete documentation and gives numerous examples of the tremendous opportunities and pitfalls presented by technology such as the Internet and web-based documentation management software. The Society for Technical Communication (STC) awarded this book the Touchstone 2001 award.

Guide to Big Data Applications S. Srinivasan, 2017-05-25 This handbook brings together a variety of approaches to the uses of big data in multiple fields, primarily science, medicine, and business. This single resource features contributions from researchers around the world from a variety of fields where they share their findings and experience. This book is intended to help spur further innovation in big data. The research is presented in a way that allows readers, regardless of their field of study, to learn from how applications have proven successful and how similar applications could be used in their own field. Contributions stem from researchers in fields such as physics, biology, energy, healthcare, and business. The contributors also discuss important topics such as fraud detection, privacy implications, legal perspectives, and ethical handling of big data.
