

Store Security Policy and Procedures

Our aim

The Store insists on the highest level of security to prevent theft and insure a safe working environment for staff members and customers alike.

Staff general security

Giving away products

You may be asked by customers and friends to give away merchandise but at no time can you give away products. Giving away products is a very serious offence and a breach of store policy and will lead to disciplinary action.

Procedures for staff purchases

After three months of employment a discount card will be supplied to all staff members. This will entitle you to a 12% discount on all goods. This is for employee use only and not to be abused and will be monitored.

All staff purchases must be made before or after your shift. If you wish to make a staff purchase see your Supervisor who will document the purchase. A check seal sticker must be placed on all items purchased before your shift.

Staff holds: are permitted for 24hours and will be kept at the supervisors counter.

Staff lay-bys: are permitted with the same conditions as customer lay-buys.

Property

It is company policy that all bags must be available for inspection by the security officer or Manager if requested. Staff are permitted to enter and exit the store only through designated staff entrances. All emergency exits are alarmed and employees must only enter if there is an emergency.

Lockers

Lockers are provided for all staff to keep their personal effects in while at work. It is each individual's responsibility to make sure their locker is locked.

Valuables

Do not bring valuables to the store, as the store will not be responsible if they go missing
