The "I" of the Sermon Richard L. Thulin, 2004-11-22 The issues are clear If one preaches Christ how does one avoid preaching oneself How do you avoid the fall into Narcissus pond What allows one s humility to show How much does one dare reveal about oneself Thulin handles these questions with sensitivity and skill using his own and others sermons for examples and critique He carefully and incisively describes four types of personal story available to preachers the features and functions of each and the degree of the preacher s self disclosure allowed by each Most of his book deals with the personal story as self portrayal that type being the most comprehensive form of first person narrative An appendix includes three sermons one each by Edmund Steimle Martin Luther King Jr and John Vannorsdall often used to disclose the intent of Thulin s I in this book

The Exempla: Or Illustrative Stories from the Sermones Vulgares Jacques de Vitry, Aeterna Press, When this work was undertaken in 1886 I hoped to be able to put upon the title page edited for the first time I then knew of only a few exempla which had been printed by Lecoy de la Marche in his edition of tienne de Bourbon and by others as illustrative material to Moli re etc I very soon however discovered that the selection of Latin stories edited by Mr T Wright for the Percy Society Vol VIII 1842 contained a considerable number of Jacques de Vitry s exempla although the name of the author was not mentioned After the present work with the exception of the Introduction was in the hands of the printer and the text partly in type I received Cardinal Pitra s *Analecta Novissima Spicilegii Solesmensis Altera continuatio* Tom II 1888 containing selections from Jacques de Vitry s *Sermones Vulgares* and pp 443 461 from a MS in the Vatican library a *Speculum Exemplorum* or collection of exempla from these sermons Aeterna Press
