This Manual contains operating and safety instructions for all STIHL 020 series power saws. Pay special attention to the safety precautions outlined on pages 4 to 22. Allow only persons who understand this Manual to operate your chain saw.

To receive maximum performance and satisfaction from your STIHL chain saw, it is important that you read and understand the maintenance and safety precautions before using your saw. Contact your STIHL dealer or the STIHL distributor for your area if you do not understand any of the instructions in this Manual.

STIHL's philosophy is to continually improve all of its products. As a result, engineering changes and improvements are made from time-to-time. If the operating characteristics or the appearance of your saw differ from those described in this Manual, please contact your STIHL dealer for information and assistance.
