The Lines Between the Lines Bess Rowen, 2021-10-18 What is the purpose of a stage direction These italicized lines written in between the lines of spoken dialogue tell us a great deal of information about a play's genre mood tone visual setting cast of characters and more Yet generations of actors have been taught to cross these words out as records of previous performances or signs of overly controlling playwrights while scholars have either treated them as problems to be solved or as silent lines of dialogue Stage directions can be all of these things and yet there are examples from over one hundred years of American playwriting that show that stage directions can also be so much more The Lines Between the Lines focuses on how playwrights have written stage directions that engage readers production team members and scholars in a process of embodied creation in order to determine meaning Author Bess Rowen calls the products of this method affective stage directions because they reach out from the page and affect the bodies of those who encounter them Affective stage directions do not tell a reader or production team what a given moment looks like but rather how a moment feels In this way these stage directions provide playgrounds for individual readers or production teams to make sense of a given moment in a play based on their own individual cultural experience geographic location and identity markers Affective stage directions enable us to check our assumptions about what kinds of bodies are represented on stage allowing for a greater multitude of voices and kinds of embodied identity to make their own interpretations of a play while still following the text exactly The tools provided in this book are as useful for the theater scholar as they are for the theater audience member casting director and actor Each chapter covers a different function of stage directions spoken

affective choreographic multivalent impossible and looks at it through a different practical lens focusing on actors directors designers dramaturgs and readers Every embodied person will have a slightly different understanding of affective stage directions and it is precisely this diversity that makes these stage directions crucial to understanding theater in our time

Take a Chance: A Gay Holiday Romance Novella Libby Waterford, 2023-12-14 One hotel room One snowstorm One game of Truth or Dare that changes everything Spencer Crosby has spent years keeping his crush on his Sawyer's Cove co star under lock and key Painfully shy and fiercely private he planned to take that secret to the grave But when a Christmas blizzard strands him in Misty Harbor and in a single hotel room with Darren Silverstein his carefully built walls start to crack And when Darren suggests a game of Truth or Dare Crosby realizes the biggest risk isn't the storm outside it's what he's about to confess Darren has never met someone he couldn't befriend except Crosby He's long believed the standoffish albeit undeniably handsome TV star is offended by his very existence But once he learns what Crosby's been

hiding all these years Darren can't know it and he doesn't want to. As snow piles high outside, revelations heat things up inside. Darren dares Crosby to take a chance on their mutual desire, hoping to find out if their newfound friendship could turn into romance. It'll take more than a holiday miracle to turn a hookup into a forever love, but in Misty Harbor, anything is possible. Readers who enjoy Sarina Bowen and Lucy Lennox will love this stand-alone holiday romance novella in the Sawyer's Cove The Reboot series where Hollywood glam meets small-town heart. **American Theatre**, 2005-07 **Casting Queen** Perdita Cargill, Honor Cargill, 2016-01-28 Funny, heart-warming and just properly brilliant. Maximum Pop Glows with warmth and wit. Jenny McLachlan A witty feel-good romp of a book. Waiting For Callback is my new favourite teen read. Emma Carroll When Elektra is discovered by an acting agent, she imagines Oscar glory can't be far away, but instead lurches from one cringe-worthy moment to the next. Just how many times can you be rejected for the part of Dead Girl Number Three without losing hope? And who knew that actors were actually supposed to be multi-lingual, play seven instruments and be trained in a variety of circus skills? Off-stage things aren't going well either. She's fallen out with her best friend, remains firmly in the friend zone with her crush, and her parents are driving her crazy. One way or another, Elektra's life is now spent waiting for the phone to ring, waiting for callback. Can an average girl next door like Elektra really make it in the world of luvvies and starlets? Geek Girl meets Fame meets New Girl in this brilliantly funny new series. **The Sun-Nymph Bride** Katherine Dotterer, 2024-10-22 In the Regency-inspired kingdom of Calatini, magic can complicate anything, even true love. When Pippa Hawke sees Edouard Lord Blaine at a family wedding, it's love at first sight. Sunny, cheerful Pippa charms Edouard, unlike any lady has before, and she's just as enthralled. But Pippa has yet to be introduced to society with her reclusive father intending to keep it that way. And Edouard is too conscientious to court a lady as young as Pippa before her debut, no matter how much he loves her. Yet Pippa knows that Edouard is the gentleman she'll marry regardless of the many others attempting to court her. She sends heartfelt letters and arranges intimate outings that deepen their love until, seriously, careful Edouard is taking delicious risks that cause her father to denounce him as a rakehell and forbid their betrothal. But Pippa's father isn't the only threat to their courtship. In Calatini, magic is real, and sometimes it's a curse that destroys even the strongest love. **The Sun Nymph Bride** is a cozy fairytale-inspired low-spice historical fantasy romance, perfect for romance lovers looking for a little extra magic. Fans of Robin McKinley's fairy tale retellings will fall in love with the Calatini Tales. I love the mystical world of Calatini and the characters. Hard to put down and engrossing series. **Handbook of Biologically Active Peptides** Abba Kastin, Abba J.
