Noah Divine Unity:

Noah Nima Sharifi,2014-12-23 And it came to pass when men began to multiply on the face of the earth and daughters were born unto them That the sons of God saw the daughters of men that they WERE fair and they took them wives of all which they chose And the LORD said My spirit shall not always strive with man for that he also IS flesh yet his days shall be an hundred and twenty years There were giants in the earth in those days and also after that when the sons of God came in unto the daughters of men and they bare CHILDREN to them the same BECAME mighty men which WERE of old men of renown And GOD saw that the wickedness of man WAS great in the earth and THAT every imagination of the thoughts of his heart WAS only evil continually And it repented the LORD that he had made man on the earth and it grieved him at his heart And the LORD said I will destroy man whom I have created from the face of the earth both man and beast and the creeping thing and the fowls of the air for it repenteth me that I have made them But Noah found grace in the eyes of the LORD

Haynes,2002-03-28 In Noah s Curse Stephen Haynes explores the historical context of slavery The author identifies the manner in which the great and good interpreted the story in Genesis to provide free labour and a scriptural justification for the Black Holocaust *And Man Created God* Shlomo Giora Shoham,2011-08-08 And Man Created God presents a new theory of mytho empiricism based on the mythological concepts of Claude L vi Strauss and the structuralism of Jeanne Piaget The whole nature of mythogenes as the creative force linking history and transcendence is then elucidated The corpus of myths in the books of Genesis and Exodus are presented in a new

light and then compared with the Egyptian Mesopotamian and Greek mythologies to highlight the Judaic myths with the pagan contrast

,1960 **Between Eden and Armageddon** Marc Gopin,2002-11-07 Recent years have seen a meteoric rise in the power and importance of organized religion in many parts of the world At the same time there has been a significant increase in violence perpetrated in the name of religion While much has been written on the relationship between violence and religious militancy history shows that religious people have also played a critical role in peacemaking within numerous cultures In the new century will religion bring upon further catastrophes Or will it provide human civilization with methods of care healing and the creation of peaceful and just societies In this groundbreaking book Marc Gopin integrates the study of religion with the study of conflict resolution He argues that religion can play a critical role in constructing a global community of shared moral commitments and vision a community that can limit conflict to its nonviolent constructive variety If we examine religious myths and moral traditions Gopin argues we can understand why and when religious people come to violence and why and when they become staunch peacemakers He shows that it is the conservative expression of most religious traditions that presents the largest challenge in terms of peace and conflict Gopin considers ways to construct traditional paradigms that are committed to peacemaking on a deep level and offers such a paradigm for the case of Judaism Throughout Gopin emphasizes that developing the potential of the world s religions for coping with conflict demands a conscious process on the part of peacemakers and theologians His innovative and carefully argued study also offers a broad set of recommendations for policy planners both inside and outside of government **Merriam-Webster's Encyclopedia of World Religions**

Merriam-Webster, Inc,1999 Contains 3 500 alphabetically arranged entries that provide information about various aspects of the world s religions features thirty in depth discussions of major religions and includes illustrations and maps **Adam's Wish** Qurrat al-'Ayn,John S.
