**International Index to Multi-media Information**, 1976 *Text-Dependent Questions, Grades 6-12* Douglas Fisher, Nancy Frey, Heather Anderson, Marisol Thayre, 2014-09-02 Fisher Frey's answer to close and critical reading. Learn the best ways to use text dependent questions as scaffolds during close reading and the big understandings they yield. But that's just for starters. Fisher and Frey also include illustrative video texts and questions, cross-curricular examples, and an online facilitator's guide, making the two volumes of TDQ a potent professional development tool across all of K-12. The genius of TDQ is the way Fisher and Frey break down the process into four cognitive pathways: What does the text say? How does the text work? What does the text mean? What does the text inspire you to do? **A Devotional Guide Through the Book of Genesis** Mike Newberry, 2021-03-16 This book started out as devotionals written weekly for a Sunday school class I teach a young adult Sunday school class, and I regularly challenge them to develop the discipline of a daily quiet time. In hopes of removing any and all excuses, I provided them with these devotionals. During the week, I would study and write five devotionals; then, I would provide these each Sunday. I would explain that they only needed five devotionals because if they came to church on Wednesday and Sunday, that would take care of the other two days. This book is not meant to be any kind of a commentary on the book of Genesis. How I approached this each week was I read Genesis every day, and I stopped at every place where I received a thought. I would then take out my books on Genesis and study the passage, and I would write a short devotional. My hope for this book has not changed since they were originally written. I still hope these devotionals will inspire you to develop the important discipline of a daily quiet time. Maybe you've read the story about Mary and Martha in Luke 10:38-42. Jesus used three words to describe Martha. He said she was "cumbered" in verse 40. The basic meaning of this word is that Martha was distracted. How easy it is to lose focus on all the important things. He said she was "careful" in verse 41. The basic meaning of this word is that she was anxious. He said she was "troubled" in verse 41. The basic meaning of this word is to be worried to the point of being disturbed. How many do these words describe them? Jesus said one thing was needed, and Mary had chosen it. Just sit at Jesus's feet. **Bookseller**, 1961 Vols for 1871-76, 1913-14 include an extra number.
