| Performance Based Assessment | <p><i>Texts: Life on the Farm</i></p> <p>Based on what they learned from reading <i>Century Farm</i>, children will compare living on a farm today to living on a farm 100 years ago. Using a graphic organizer, children will draw and write what is similar and different. Children will then draw and write to support their opinion to the following questions: <i>Would you like to live on a farm? Why or why not?</i></p> <p>Target Standards: Common Core Learning Standard W.K.1</p> |                                                              |                                                                             |                                                                                                                                                                  |                                                                                                                                                      |
