Real Marriage Chapters:

Real Marriage Mark Driscoll, Grace Driscoll, 2013-01-07 Most marriage books assume the author did it right Most marriage books barely mention friendship Most marriage books use intimacy as code for sex This is not one of those books In **Real Marriage** Pastor Mark Driscoll and his wife Grace share how they have struggled and how they have found healing through the power of the only reliable source the Bible They believe friendship is fundamental to marriage but not easy to maintain So they offer practical advice on how to make your spouse your best friend and keep it that way And they know from experience that sex related issues need to be addressed directly Five chapters are dedicated to answering questions like Should I confess my pre marital sexual sin to my spouse Is it okay to have a work spouse What does the Bible say about masturbation and oral sex Stunningly honest and vulnerable **Real Marriage** is like a personal counseling session with a couple you cannot surprise you cannot shock into silence who will respond to every question with wisdom humility and realism If you want to have a long lasting fulfilling marriage you should read this book Wrestle with this book Pray over this book Share this book And discover how God can use it to change your life Endorsements If you re married or plan to be someday do yourself a favor and read every page of this book DRS LES LESLIE PARROTT Founders of RealRelationships com and authors of Love Talk Whether engaged newlywed or veteran **Real Marriage** will serve as an invaluable resource I highly recommend this book ANDY STANLEY author of The Grace of God and Senior Pastor North Point Community Church One of my greatest concerns is that culture is going to continually define and redefine what marriage is and is not and the church is going to simply sit on the sidelines and react rather than seeking to actually become proactive by confidently teaching what the Bible has to say about it That is why I am so thankful that Mark and Grace Driscoll wrote this book Their approach to marriage its benefits and challenges are transparent and challenging and I honestly believe that every married couple who will work through what they lead us through in this book will not just merely have a marriage that survives in this world but rather thrives in it PERRY NOBLE Senior Pastor NewSpring Church Our thanks to Mark and Grace Driscoll who have served this generation well by tastefully but boldly addressing the real issues facing real marriages Taking the unchanging truth of God s word and sprinkling in is the story of God s mercy in their own marriage they have filled every chapter with real helpfulness This book is powerful biblical practical and healing for marriages that hurt My wife and our adult children read it to great profit DR JAMES MACDONALD Senior Pastor Harvest Bible Chapel and Bible teacher for Walk in the Word **Real Marriage Participant's Guide** Mark Driscoll, Grace Driscoll, 2012-01-02 You planned for the first day of your marriage Are you planning for the last While a wonderful wedding day is important it s the last day of marriage that really counts Will the last day of your marriage come prematurely through divorce Will it be filled with regrets as you sit at the funeral of your spouse Or by God s grace will the last day be a day to rejoice in the life you lived together Pastor Mark Driscoll and his wife Grace want you to finish well on the last day Through their book **Real Marriage** and the eleven week DVD based study they share

practical help and hope with people just like them who entered marriage a complete mess or who are planning to be married someday and want to avoid some sticky pitfalls in the future A companion to the Real Marriage DVD Based Study Kit this guide is uniquely designed for small groups couples and those who are considering marriage Each session in the Participant s Guide provides engaging group study questions and essential homework for husbands wives and singles alike Together you your spouse and your small group will tackle the tough issues such as friendship with your spouse pornography and sexual assault submission and respect and sexual intimacy in marriage God desires for your marriage to be full of joy and happiness as it glorifies His Son Jesus makes such marriage possible through His death and resurrection The Real Marriage Participant s Guide includes Eleven sessions Homework specially designed for husbands wives and singles Guides for conversations with your spouse Ideas for date nights Notes for small group leaders Intended for use with the Real Marriage DVD Based Study Kit ISBN 978 1 4185 5040 0 and the trade book Real Marriage A Chapter of Santal Folklore Paul Olaf Bodding,1924

Satlow,2018-06-05 Marriage today might be a highly contested topic but certainly no more than it was in antiquity Ancient Jews like their non Jewish neighbors grappled with what have become perennial issues of marriage from its idealistic definitions to its many practical forms to questions of who should or should not wed In this book Michael Satlow offers the first in depth synthetic study of Jewish marriage in antiquity from ca 500 B C E to 614 C E Placing Jewish marriage in its cultural milieu Satlow investigates whether there was anything essentially Jewish about the institution as it was discussed and practiced Moreover he considers the social and economic aspects of marriage as both a personal relationship and a religious bond and explores how the Jews of antiquity negotiated the gap between marital realities and their ideals Focusing on the various experiences of Jews throughout the Mediterranean basin and in Babylonia Satlow argues that different communities even rabbinic ones constructed their own Jewish marriage they read their received traditions and rituals through the lens of a basic understanding of marriage that they shared with their non Jewish neighbors He also maintains that Jews idealized marriage in a way that responded to the ideals of their respective societies mediating between such values as honor and the far messier realities of marital life

Employing Jewish and non Jewish literary texts papyri inscriptions and material artifacts Satlow paints a vibrant portrait of ancient Judaism while sharpening and clarifying present discussions on modern marriage for Jews and non Jews alike
