REALIDADES 1, CHAPTER 1B EXAM

Thank you for purchasing this teacher-created exam!

I use *Realidades 1* in my Spanish 1 classes, but often write my own exams and activities. You will find concepts from Chapter 1B, but also find a few additional concepts, as well.

This exam includes two parts. I first give students part 1, which includes the receptive skills of listening and reading comprehension. I include a listening script (see last page) that the teacher reads. I read the script 2 or 3 times for students, and they must choose true/false for the statements given on section A. Section B is a reading comprehension activity with questions in English over the reading. Students need to answer the questions in English.

Part 2 focuses on vocabulary and grammar, as well as a writing assessment on the last section. These are some concepts that appear in the exam: descriptions/adjectives (physical & personality), translations, ser and tener, subject pronouns, people & pets, answer questions in full sentences, and a writing prompt centered around descriptions.

I usually mark one word answers, true/false, and multiple choice questions out of 1 possible point. I usually make full sentence answers worth 2 points. Of course, use your own judgment regarding how many points you want this exam to be worth and how you will assess the answers given.

Thanks for your purchase, and I hope that this is useful for your Spanish 1 classes!
