My Story Roger H. Guichard Jr., 2023-05-09. My Story tells the tale of one man's coming to adulthood in the late twentieth and early twenty-first centuries. Because of his international focus, the Author had said little about a subject that might interest a reader familiar with his existing body of work that is himself. So he has turned a penetrating gaze from his customary subjects (people and places in the Middle East and South Asia) to a subject that provides context for his earlier books. From family histories of eighteenth-century Cevio in the Swiss Alps and Marseille in Provence, from childhood, youth, adolescence, and early adulthood in the United States to the Navy and the Vietnam War, from *First Footsteps in the Middle East* to *Timeline Red*, *America and Iran*, *Odyssey*, these chapters play out against the backdrop of the family history now provided. As such, this work represents the capstone to a full career.
