Kempadoo and Colin Channer Booklist Journal of Emiria Walker Emiria Walker,2020-01-30 Diary of Emiria Walker spanning eight years involving mental health false beliefs hearing voices and thoughts on my own matters *Libertarian Alternative* Chris Berg,2016-05-02 Libertarianism the philosophy of government that pairs free market economics with social liberalism presents a vigorous and viable political alternative to the old Left Right partisan shouting match Libertarianism offers surprising new solutions to stagnant policy debates over issues such as immigration and civil rights and provides a framework for tackling contemporary problems like privacy the environment and technological change In *The Libertarian Alternative* Chris Berg offers a new agenda for restoring individual liberty in Australia revitalising politics and strengthening our sagging economy *Twisted Firsts* Noor Tabassum,2021-04-13 Life is an unpredictable adventurous and uncertainly certain journey where you re assigned different roles as you move ahead of each phase in your life Though the first step seems difficult sometimes even unsure and confused with each step further you learn to walk with your head held high and your feet firm in the ground If we compile each of those first steps at each phase it would be excitingly thrilling to replay those baby steps again and ponder over those silly yet fierce memories This book will give you a first hand experience of many first experiences that will take you down the memory lane and make you think what you did when you were in same situation for the first time *The Petro-state Masquerade* Ryan Cecil Jobson,2024-12-04 A historical and ethnographic study of the fraught relationship between fossil fuels and political power in Trinidad and Tobago Examining the past present and future of Trinidad and Tobago s oil and gas industries anthropologist Ryan Cecil Jobson traces how a model of governance fashioned during prior oil booms is imperiled by declining fossil fuel production and a loss of state control Despite the twin island nation s increasingly volatile and vulnerable financial condition however government officials continue to promote it as a land of inexhaustible resources and potentially limitless profits The result is what Jobson calls a masquerade of permanence whereby Trinbagonian state actors represent the nation as an interminable reserve of hydrocarbons primed for multinational investment In *The Petro state Masquerade* Jobson examines the gulf between this narrative crafted by the postcolonial state and the vexed realities of its dwindling petroleum fueled aspirations After more than a century of commercial oil production Trinidad and Tobago instructs us to regard the petro state as less a permanent form than a fragile relation between fossil fuels and sovereign authority Foregrounding the concurrent masquerades of oil workers activists and Carnival revelers Jobson argues that the promise of decolonization lies in the disarticulation of natural resources capital and political power by ordinary people in the Caribbean Trespassing Through Life Kat Gabriel,2016-03 In the world of high stakes horse racing among wealthy patrons in the Middle East Petra Friedland has a demanding and exciting career but feels her personal life is short changed Time is ticking away and Petra is haunted by failed relationships and the prospect of a bleak future A hot but complicated affair with a younger man awakens a long forgotten passion for life within Petra compelling her to choose whether to risk the stability she has fought so hard to achieve in order to search for the happy equilibrium she yearns for She

makes a plan but questions how far is she willing to go balancing the emotional material and physical costs to achieve happiness and fulfilment Will new adventures bring satisfaction or will the past catch up to destroy Petra s efforts to build a new life Trespassing Through Life offers a glimpse into contrasting cultures illustrated within the exotic and titillating world of equestrianism thoroughbred racing and international travel

Muslim Societies in the Age of Mass Consumption

Johanna Pink,2020-07-13 In the course of the 20th century hardly a region in the world has escaped the triumph of global consumerism Muslim societies are no exception Globalized brands are pervasive and the landscapes of consumption are changing at a breathtaking pace Yet Muslim consumers are not passive victims of the homogenizing forces of globalization They actively appropriate and adapt the new commodities and spaces of consumption to their own needs and integrate them into their culture Simultaneously this culture is reshaped and reinvented to comply with the mechanisms of conspicuous consumption It is these processes that this volume seeks to address from an interdisciplinary perspective The papers in this anthology present innovative approaches to a wide range of issues that have so far barely received scholarly attention The topics range from the changing spaces of consumption to Islamic branding from the marketing of religious music to the consumption patterns of Muslim minority groups This anthology uses consumption as a prism through which to view and better understand the enormous transformations that Muslim societies Middle Eastern South East Asian as well as diasporic ones have undergone in the past few decades
