Unfortunately the answer is Probably First let s take a look at the licensing process and understand why it exists then take a
look at extreme situations for an attempt at a yes no answer and finally consider the exams All 50 have a constitutionally
defined responsibility to protect the public From an engineering point of view as well as many other professions this
responsibility is met by the process of licensure and in our case the Professional Engineer License Though there are different
experience requirements for different states the meaning of the license is common The licensee demonstrates academic
competency in the Fundamentals of Engineering by examination Principles and Practices at PE time The licensee
demonstrates qualifying work experience at PE time The licensee ascribes to the Code of Ethics of the NSPE and to the laws
