

ENGLISH • PRACTICE TEST 1 • EXPLANATORY ANSWERS

Passage I

Question 1. The best answer is **C** because it appropriately uses the relative pronoun *who* to introduce the clause that modifies *students*—"who join our senior class." Besides introducing that clause, the pronoun *who* also functions as the subject of the clause.

The best answer is **NOT**:

A because it creates a comma splice (two or more complete sentences separated only by a comma). The phrase "those teenagers" is the subject of the second complete sentence.

B because it, too, produces a comma splice. In addition, it creates grammatical disagreement between the plural *students* and the singular *he* or *she*.

D because it creates a run-on, or fused, sentence. There is no punctuation or conjunction (connecting word) between the two statements.

Question 2. The best answer is **G** because it provides the predicate *was*, which produces a complete sentence. Remember that a statement that has no predicate verb is a sentence fragment (an incomplete sentence).

The best answer is **NOT**:

F because it uses the verb form *being*, which is a participle. Because it is a verb form, a participle is often mistaken for the main verb in a sentence. This statement has no predicate, so it is a sentence fragment.

H because it has no predicate verb. Without a predicate, the statement is a sentence fragment and does not express a complete thought.

J because it lacks a verb and therefore creates another sentence fragment.

Question 3. The best answer is **A** because it correctly uses the pronoun *who* to introduce the clause that describes Ligia Antolinez. In this sentence, *who* is required because it refers to a person. The pronoun *who* is also appropriate because it functions as the subject of the clause.

The best answer is **NOT**:

B because it uses the object pronoun *whom* instead of the subject pronoun *who*.

C because it uses the pronoun *which* when the personal pronoun *who* is required. In general, *who* refers to people and *which* refers to objects, events, or animals.

D because it inserts an unnecessary pronoun, *she*. Because *who* is the subject of the descriptive clause, the pronoun *she* has no function in this sentence.
