

## Old Folks Laugh

They have spent their  
content of simpering,  
holding their lips this  
and that way, winding  
the lines between  
their brows. Old folks  
allow their bellies to jiggle like slow  
tambourines.  
The hollers  
rise up and spill  
over any way they want.  
When old folks laugh, they free the world.  
They turn slowly, slyly knowing  
the best and the worst  
of remembering.  
Saliva glistens in  
the corners of their mouths,  
their heads wobble  
on brittle necks, but  
their laps  
are filled with memories.  
When old folks laugh, they consider the promise  
of dear painless death, and generously  
forgive life for happening  
to them.

*Maya Angelou*

## Old Folks Laugh Poem Analysis:

**Mosher's Magazine** ,1905      **Riddles in Filipino Folklore** Donn Vorhis Hart,1964      *The Churchman* ,1888

**Kingsley Amis** Andrew James,2013 Throughout the first twenty years of his career Amis used bad artists as whimsical characters or antimodels that helped identify his artistic preferences and fictional techniques He became convinced that the relationship between an artist and his audience was reciprocal and that both the outer audience and the artist s inner circle must be held accountable for the production of poor literature During the last twenty years of his career Amis no longer concerned himself with satirizing bad artists but instead explored ways of ameliorating them James shows that the development of antimodels as fully drawn characters and Amis s insistence upon reciprocity in the writer reader relationship demonstrate that he was more than just a comedic writer and was aware of himself as an artist with social responsibilities
