even saved the life of one of the twentieth century's greatest writers. In 1934 Eileen O'Shaughnessy's futuristic poem *End of the Century* 1984 was published. The next year she would meet George Orwell then known as Eric Blair at a party. Now that is the kind of girl I would like to marry, he remarked that night. Years later Orwell would name his greatest work *Nineteen Eighty-Four* in homage to the memory of Eileen, the woman who shaped his life and his art in ways that have never been acknowledged by history until now. From the time they spent in a tiny village tending goats and chickens through the Spanish Civil War to the couple's narrow escape from the destruction of their London flat during a German bombing raid and their adoption of a baby boy, Eileen is the first account of the Blairs' nine-year marriage. It is also a vivid picture of bohemianism, political engagement and sexual freedom in the 1930s and 40s. Through impressive depth of research illustrated throughout with photos and images from the time, this captivating and inspiring biography offers a completely new perspective on Orwell himself and most importantly tells the life story of an exceptional woman who has been unjustly overlooked. **Ladies,**

Upstairs! Monique Bégin, 2019-12-21 More than fifty years after most Canadian women received the right to vote, very few women were elected as members of Parliament and none came from Quebec. Canada's 1972 federal election marked a refreshing transition. Twice as many female candidates ran for office than in the previous election and of the five women elected to the House of Commons that year, three Liberal Party candidates: Monique Bégin, Albanie Morin and Jeanne Sauvé shared the honour of being the first Quebec women MPs. In this riveting memoir of a trailblazing female politician, Monique Bégin tells the story of her journey into politics and beyond. Born in Italy, Bégin spent her childhood in France and Portugal before arriving in Montreal as a refugee of the Second World War. In 1967 she was swept into the world of politics when she became executive secretary of the Royal Commission on the Status of Women. Inspired by Pierre Trudeau, she then ran for the House of Commons and served in various cabinet positions, ultimately spearheading the landmark Canada Health Act before retiring to pursue a career in academia. Offering a revealing glimpse into the pervading sexism of Canadian public life, *Ladies Upstairs* details the experiences of a feisty, candid outsider who, through sheer fortitude, intelligence and hard work, became minister of health and welfare, a university dean, a sought-after member for commissions of inquiry and an international expert on public health. The voice of a woman in a male world, a francophone among anglophones and a skeptical politician, *Ladies Upstairs* provides a fascinating account of one of Canada's most impressive federal ministers and her discoveries through the decades. *Olga's Story* Stephanie Williams, 2011-04-20 When Canadian journalist Stephanie Williams set out to discover her Russian grandmother's long lost history, what she unearthed was this stunning, sprawling portrait of a life lived on the grand stage of the 20th century. Born in remote Siberia in 1900, Olga Yunter was the youngest of five children. As a teenager during the Revolution, she was a courier and arms runner for the White Russians. After learning of the execution of her brother at the hands of the Red Army, which drew nearer every day, her father sent her to China with rubies and gold sewn into her petticoats. She would never see her family again. The life of a Russian exile in China meant poverty and fear. But

Olga was lucky She met and married Fred Edney and gave birth to their daughter Irina the author's mother But the creeping Japanese occupation and invasion of China forced Olga to flee with Irina to Canada leaving Fred behind to continue working For five years she heard almost nothing of her husband save that he was alive in a Japanese prison camp At the end of the war she returned to China to find him broken by his internment The family was driven out of the country for good by the Chinese Revolution in 1949 They settled in Oxford where Olga and Fred lived out the rest of their days Drawing on letters diaries government documents and interviews Stephanie Williams brings to life this gripping historical drama sweeping in scope and illuminated by the intimate details of one woman's extraordinary life Lilac Girls Martha Hall Kelly,2022-04-26

Goes Back Home to Cebu Lillian Cui Garcia, 2021-04-06 *An Immigrant Goes Back Home to Cebu* is the author's memoir about living within and between the Philippine and Canadian worlds. While this is one professional immigrant's narrative about persistence and fulfillment in Canada, her host country, it is also every immigrant's story about resourcefully dealing with everyday interchanges and challenges in the new country while tapping the old not only for fond moving remembrances but also for learned coping mechanisms to resolve commonplace and sometimes convoluted issues such as racism. It is also about our pasts and continuing quests to discover who we are and what contributes to forming the persons that we continue to become. It attempts to answer two existential questions immigrants in the latter part of their journey often grapple with: Is it worth it to continue staying in the now familiar host country where one has worked hard at having a happy and fulfilled life? Or is it beneficial and practicable to respond to that call of one's first home which is still compelling despite the new challenges of a changed system and a new set of characters? From the author's journeys with both stayers in the host country and returnees to the native home, she shares with us inspiring stories about creating and extending a meaningful life guided by a sense of others' kindness and a duty to speak out and act on one's principles. These unsung heroes didn't just stand where they were planted; they were useful.
