Waltke, 2011-04-19 The Old Testament is more than a religious history of the nation of Israel It is more than a portrait gallery of heroes of the faith It is even more than a theological and prophetic backdrop to the New Testament Beyond these the Old Testament is inspired revelation of the very nature character and works of God As renowned Old Testament scholar Bruce Waltke writes in the preface of this book the Old Testament s every sentence is fraught with theology worthy of reflection This book is the result of decades of reflection informed by an extensive knowledge of the Hebrew language the best of critical scholarship a deep understanding of both the content and spirit of the Old Testament and a thoroughly evangelical conviction Taking a narrative chronological approach to the text Waltke employs rhetorical criticism to illuminate the theologies of the biblical narrators Through careful study he shows that the unifying theme of the Old Testament is the breaking in of the kingdom of God This theme helps the reader better understand not only the Old Testament but also the New Testament the continuity of the entire Bible and ultimately God himself *Old Testament Theology* Walter Brueggemann, 1992 Through these essays Brueggemann addresses the necessity for thinking about the shape and structure of Old Testament theology and the impact such thinking can have on the large issues of contemporary life The Old Testament is seen to be something that has intelligible and significant connections to all sorts of things in this world Patrick D Miller Jr **Understand the Old Testament** David Holsted, 2018-02-16 A full 75 percent of the Bible is the Old Testament If one of your kids or your coworkers or your friends were to ask you about the Old Testament could you talk knowledgably about it When you pastor says that your church believes in the Old Testament because the whole Bible is about Jesus can you even imagine what he s talking about In my experience Christians often know stories from the Old Testament or maybe have memorized verses from it but very few would say that they understand it That s where I stood not long ago so I set out to do something about it Frankly without help the Old Testament can be difficult to read let alone understand But with a little guidance you can not only understand it you can appreciate how it harmonizes with the New Testament and you can see how it is so foundational to your faith I put together this book as I earnestly studied my way through the Old Testament My hope is that I have taken hundreds of hours of reading and work and summarized it into a book that can be used by Christians who just don t have hundreds of hours to invest This book combines the best of what I ve read and studied about the Old Testament It is part book read it through or select areas of interest from the summaries It is part Bible study guide use the summaries to study or lead a Bible study group It is part commentary use it to complement your Old Testament reading The Old Testament is the story that Jesus completes and the promise that Jesus fulfills Are you willing to invest about an hour per week for a year in order to see how this is true Learn the name nature attributes and character of God Learn
