Alexander Rutherford, 2019-09-30 If the Word of God is our anchor in the chaos of this world if it is our assurance that we can know the world and God its Creator we need confidence that we can understand this Word Reading and applying the Bible is essential to every facet of Christian life and ministry yet our ability to do so is under attack from a myriad of directions In Postmodern philosophy the possibility of communication is dismissed let alone communication from God In Biblical studies the amount of knowledge required to come to firm conclusions concerning the meaning and application of the Bible grows every day However the Bible is not so pessimistic about its accessibility Instead it presents itself as a clear word sufficient to guide and encourage Christians in every area of life Having outlined in Part 1 a method for reading the Bible in order to understand it The Gift of Reading Part 2 addresses the issues of hermeneutics or the theory of reading After briefly surveying the major approaches to reading the Bible throughout the history of the Church The Gift of Reading Part 2 argues for an understanding of the role of the text read and author based on a Biblical epistemology and theology **Theological Interpretation of the Old Testament**, 2008-11-01 The groundbreaking Dictionary for Theological Interpretation of the Bible DTIB introduced readers to key names theories and concepts in the field of biblical interpretation It has been well received by pastors and students won book awards from Christianity Today and the Catholic Press Association and was named the ECPA 2006 Christian Book of the Year Theological Interpretation of the Old Testament features key articles from DTIB providing readers with a book by book theological reading of the Old Testament The articles are authored by leading scholars including Daniel I

Dell, 2023-08-31 In this volume Katharine Dell offers a guide to the nature and character of the Book of Proverbs She explores its key messages and major theological themes notably God as creator and Wisdom as mediator standing at the center of a profound theological relationship between God and humanity Dell provides an overview of scholarly evaluations of these writings which explore its literary forms subdivisions content purpose and social contexts Summarizing important modern debates she also examines the intertextual and canonical relationship of Proverbs to other biblical books the afterlife of Proverbs in wisdom material from the Apocrypha Qumran and the New Testament and the place of Proverbs in the history of interpretation Her book will help readers to understand the nature and character of the book of Proverbs It also enables them to assess its key messages and to see its wider context within the canon of scripture and its relevance within the history of interpretation **From Eden to Golgotha** R.W.L. Moberly, 2018-12-04 These essays have been brought together with a number of purposes in mind within the context of a basic concern to explore something of the depth and vitality of the Jewish scriptures and of the Jewish and Christian religious traditions that have grown out of them From the Introduction **Leaves of Healing**, 1923 **The Divine Sabotage** Dan Liroy, 2008-08-18 The concept of the divine sabotage is the starting point for this expositional journey through Ecclesiastes Dan Liroy notes that on the one hand God has set eternity in the human heart Eccl 3 11a Yet on the other hand no one can fathom what God has done from beginning to end Eccl 3 11b God has imposed limitations on the human race that undermine human efforts to look beyond the present especially to understand the past or probe into the future Expressed differently because people are creatures of time their heavenly imposed finitude subverts their ability to fathom the eternal plan of God The preceding observations help pinpoint why existence often seems vague incongruous and antithetical People are left feeling confused powerless and frustrated And somewhere along the way they begin to ask what life is really all about Solomon who was Israel s wisest and most powerful king also wrestled with these issues and he

recorded his observations and conclusions in the book of Ecclesiastes Lioy s objective balanced and affirming examination of Solomon s treatise indicates that the fundamental quality of life is defined by revering God and heeding His commandments Eccl 12 13 He notes that if human existence is likened to a cord made of three strands an analogy based on Ecclesiastes 4 12 it remains coherent and interconnected when God is at the center of one s inner world at the core of one s understanding of the external world and the basis for the significance one derives from life This volume is appropriate for personal study and is also suitable as a college and seminary textbook *Exploring the Old Testament Book by Book* John Phillips,2009-07-01
