Old-Fashioned Camp Meeting: Helen's Tent-Town Adventures Helen Godfrey Pyke, 2013 *Old Time Camp Meeting Songs* Timothy Flemming, 2002 **Old-time Primitive Methodism in Canada, 1829-1884** Jane Agar Hopper, 1904
Outlook Alfred Emanuel Smith, Francis Walton, 1877 **Old Time Camp Meeting Songs** Albert Brumley, 19?? Our Paper , 1903 **PTL** John Wigger, 2017-07-06 In 1974 Jim and Tammy Bakker launched their television show the PTL Club from a former furniture store in Charlotte N C with half a dozen friends By 1987 they stood at the center of a ministry empire that included their own satellite network a 2300 acre theme park visited by six million people a year and millions of adoring fans The Bakkers led a life of conspicuous consumption perfectly aligned with the prosperity gospel they preached They bought vacation homes traveled first class with an entourage and proclaimed that God wanted everyone to be healthy and wealthy When it all fell apart after revelations of a sex scandal and massive financial mismanagement all of America watched more than two years of federal investigation and trial as Jim was eventually convicted on 24 counts of fraud and conspiracy He would go on to serve five years in federal prison PTL is more than just the spectacular story of the rise and fall of the Bakkers John Wigger traces their lives from humble beginnings to wealth fame and eventual disgrace At its core PTL is the story of a group of people committed to religious innovation who pushed the boundaries of evangelical religion s engagement with American culture Drawing on trial transcripts videotapes newspaper articles and interviews with key insiders dissidents and lawyers Wigger reveals the power of religion to redirect American culture This is the story of a grand vision gone wrong of the power of big religion in American life and its limits *Old-time Primitive Methodism in Canada, 1829-1884* Mrs. R. P. Hopper, 1904 **The New England Magazine** , 1892 **Past and Present of Tippecanoe County, Indiana** Richard Patten DeHart, 1909 Christian Advocate , 1911 *An Illustrated History of Monroe County, Iowa* Frank Hickenlooper, 1896 Arkansas Methodist , 1920 **Minutes of the Newark Conference of the Methodist Episcopal Church** , 1906 *The Christian Advocate* , 1900 **The Lonesome Plains** Louis Fairchild, 2002 Loneliness pervaded the lives of pioneers on the American plains including the empty expanses of West Texas Most settlers lived in isolation broken only by occasional community gatherings such as funerals and religious revivals In *The Lonesome Plains* Louis Fairchild mines the letters and journals of West Texas settlers as well as contemporary fiction and poetry to record the emotions attending solitude and the ways people sought relief Hungering for neighborliness people came together in times of misfortune sickness accident and death and at annual religious services In fascinating detail Fairchild describes the practices that grew up around these two focal points of social life He recounts the building of coffins and preparation of a body for burial the conflicting emotions of the pain of death and the hope of heaven the funeral rite itself the lost and lonely graves And he tells the story of yearly outdoor revivals the choice of the meeting site and construction of the arbor or other shelter the provision of food the music and emotionally charged services and tangential courting and mischief Loneliness is most

recognized as a feature of life in the time of the early West Texas cattle industry a period of sprawling cattle ranches and legendary cattle drives roughly from 1867 to 1885 But Fairchild shows that it also characterized the lives of settlers who lived in West Texas from the beginning of permanent settlement of the Texas Panhandle around 1876 through the population shift that occurred around the turn of the century as farmers and their families supplanted ranchers and their cattle Fairchild draws on primary materials of the early residents to give voice to the settlers themselves and skillfully weaves a moving picture of life in the open spaces of West Texas during the frontier rural period of the late nineteenth and early twentieth centuries

Ozark Baptizings, Hangings, and Other Diversions Robert K. Gilmore, 1990-01-01 Ozark Baptizings Hangings and Other Diversions is about the people of a unique corner of America and how they entertained themselves at the turn of the century In the years from 1885 to 1910 most Ozark communities were still relatively isolated from the outside and from each other Thus they had to rely on their own resources for diversion from the difficult and often solitary business of everyday living The most popular of their entertainments were those that brought some theater into their lives They especially delighted in literaries debates mock trials closing of school programs suppers picnics brush arbor revivals and baptizings Then there was the occasional hanging that for audience attention was rivaled only by the political rally The hanging took on all the flavor of high drama even to the impassioned farewell address by the condemned who was carried away by the excitement of it all By their entertainments shall we know them and this account of Ozarkers diversions reveals them in all their independence conservatism sense of place humor dedication to learning love of the spoken language and religious and political intensity No come here an Ozarker s term for a newcomer Robert K Gilmore grew up on an Ozark farm reared by grandparents who were young in the era described in this book Years later he went back to the rural Ozarks and encouraged the people to recall the early days for him They described the entertainments of their youth with a special clarity of recall The files of the Ozark weeklies also proved richly rewarding The editors and their rural correspondents delighted in describing the local entertainments in vivid reportage loaded with editorial comment This book illustrated with rare photographs of turn of the century diversions celebrates the centennial of an era

Four Years on Wheels John Wesley Carhart, 1880

How God Used a Hillbilly Preacher Pastor Jack H. Jones, 2023-12-20 The Bible is proven to be the world s bestseller and rightfully so because God is the author God wants man to be happy healthy and in harmony with him There is no justifiable reason why the world and especially church members should be living with sickness and defeat Over the last sixty or so years I have seen the increase in devastating diseases and the decline in true spirituality and the trend of church leaders toward a social gospel fulfilling 2 Timothy 3 5 Having a form of godliness but denying the power thereof All this moved me to put forth the Bible s resolution to these shortcomings and awaken the interest of many to seek and find this full salvation that Jesus purchased for all
