**Lesbian Voices From Latin America** Elena M. Martínez, 2017-10-06 In spite of the attention that Latin American women writers have attracted in recent years a book dedicated exclusively to those writers whose work primarily articulates a lesbian perspective was until now missing The purpose of this book first published in 1996 is to bring attention to and examine the articulation of lesbian themes motifs and issues in the works of these writers It aims to study the problems pertaining to the specific literary representations of lesbianism and to examine the dimensions of a lesbian view in the works By undertaking the study of the works of these women writers this book contributes to the recognition and legitimization of a lesbian literary discourse

Su Friedrich Barbara Mennel, 2023-09-05 Auteurism expanded With acclaimed films like Sink or Swim and The Odds of Recovery Su Friedrich's body of work stands at the forefront of avant garde and Queer cinema Barbara Mennel examines the career of an experimental auteur whose merger of technical innovation and political critique connects with both cinephiles and activists Friedrich's integration of cinematic experimentation with lesbian advocacy serves as a beginning rather than an end point of analysis With that in mind Mennel provides an essential overview of the filmmaker's oeuvre while highlighting the defining characteristics of her artistic and political signature She also situates Friedrich within the cultural political and historical contexts that both shape the films and are shaped by them Finally Mennel expands our notion of auteurism to include directors who engage in collaborative and creative processes rooted in communities

**Telling Sexual Stories** Ken Plummer, 2002-11-01 This book explores the rites of a sexual story telling culture and examines the nature of these newly emerging narratives and the socio historical conditions that have given rise to them

Blood Stories Janet Lee, Jennifer Sasser-Coen, 2015-12-22 Blood Stories focuses on menarche as a central aspect of body politics in contemporary US society emphasizing that women are integrated into the social and sexual order through the body Using oral and written narratives of 104 diverse women the authors address the central question of how menarche as a bodily event signifying womanhood takes on cultural significance in a society that devalues women Exploring issues of contamination and concealment and the sexualization of women's bodies that occurs at menarche the authors emphasize how the politics of gender are negotiated on through women's bodies

**Queer Constellations** Dianne Chisholm, Queer Constellations investigates the dreams and catastrophes of recent urban history viewed through new queer narratives of inner city life The gay village gay

mecca gai Paris the lesbian flaneur the lesbian boheme these and other urban phantasmagoria feature paradoxically in this volume as figures of revolutionary utopia and commodity spectacle as fossilized archetypes of social transformation and ruins of haunting cultural potential Dianne Chisholm introduces readers to new practices of walking seeing citing and remembering the city in works by Neil Bartlett Samuel Delany Robert Gluck Alan Hollinghurst Gary Indiana Eileen Myles Sarah Schulman Edmund White and David Wojnarowicz Reading these authors with reference to the history sociology geography and philosophy of space particularly to the everyday avant garde production and practice of urban space Chisholm reveals how and how effectively queer narrative documentary resembles and reassembles Walter Benjamin s constellations of Paris capital of the nineteenth century Considering experimental queer writing in critical conjunction with Benjamin s city writing the book shows how a queer perspective on inner city reality exposes contradictions otherwise obscured by mythic narratives of progress If Benjamin regards the Paris arcade as a microcosm of high capitalism wherein the un making of industrial society is perceived retrospectively in contemporary queer narrative we see the sexually charged and commodity entranced space of the gay bathhouse as a microcosm of late capitalism and as an exemplary site for excavating the contradictions of mass sex In Chisholm s book we discover how looking back on the ruins of queer mecca queer authors return to Benjamin to advance his dialectics of seeing how they cruise the paradoxes of market capital blasting a queer era out of the homogeneous course of history

**When Memory Speaks** Jill Ker Conway, 2011-06-08 J ill Ker Conway one of our most admired autobiographers author of *The Road from Coorain* and *True North* looks astutely and with feeling into the modern memoir the forms and styles it assumes and the strikingly different ways in which men and women respectively tend to understand and present their lives In a narrative rich with evocations of memoirists over the centuries from Jean Jacques Rousseau and George Sand to W E B Du Bois Virginia Woolf Frank McCourt and Katharine Graham the author suggests why it is that we are so drawn to the reading of autobiography and she illuminates the cultural assumptions behind the ways in which we talk about ourselves Conway traces the narrative patterns typically found in autobiographies by men to the tale of the classical Greek hero and his epic journey of adventure She shows how this configuration evolved in memoirs into the passionate romantic struggling against the conventions of society into the frontier hero battling the wilderness into self made men overcoming economic obstacles to create an invention or a fortune or more recently into a quest for meaning for an understandable past for an ethnic identity In contrast she sees the designs that women commonly employ for their memoirs as evolving from the writings of the mystics such as Dame Julian of Norwich or St Teresa of Avila about their relationship with an all powerful God As against the male autobiographer s expectation of power over his fate we see the woman memoirist again and again believing that she lacks command of her destiny and tending to censor her own story Throughout Conway underlines the memoir s magic quality of allowing us to enter another human being s life and mind and how this experience enlarges and instructs our own lives

**The Lesbian Premodern** N. Giffney, M. Sauer, P D Watt, 2011-01-31 Key scholars in the field of lesbian and sexuality studies take part in an innovative conversation that offers a radical new methodology for writing lesbian history and geography drawing new conclusions on the important and often overlooked work being done on female same sex desire and identity in relation to premodern cultures *Encyclopedia of Lesbian and Gay Histories and Cultures* George Haggerty, Bonnie Zimmerman, 2003-09-02 Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this Encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavours While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the Encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written by some of the most famous names in the field as well as new researchers this is intended as a reference for students and scholars in all areas of study as well as the general public **The Cambridge Companion to the Twentieth-Century American Novel and Politics** Bryan M. Santin, 2023-10-12 This volume analyzes how political movements ideas and events shaped the American novel **Women's Voices and Feminism in Polish Cultural Memory** Urszula Chowaniec, Ursula Phillips, 2013-02-22 Every time a so called woman s voice appears in the media in connection with any sphere of creative activity it finds itself confronted by the almost formulaic expression feminism today instantaneously suggesting that feminism is in fact a matter of the past and that if we want to return to this phenomenon then we need to explain ourselves Women s Voices and Feminism in Polish Cultural Memory seeks to elaborate the problem of generalization expressed by such formulas as feminism today while analysing how feminist sympathies have shaped Polish literature film and language This volume does not want to impose any hegemonic understanding of feminism or imply any a

priori ideological assumptions about women's nature or role in society. It seeks to identify what is particular to the Polish feminist experience. It starts by asking such questions as what is feminism today or what can we learn from the history of Polish women's writing. In answering these questions, the women scholars who have contributed to the volume examine Polish cultural history and memory in the context of the transformations, transitions, and catastrophes of the last two centuries whilst firmly rooting Polish experience within the common European heritage.

**Braggin Rights** Kenna White, 2007-05-01 Taylor Fleming is a thirty-six-year-old Texas rancher who covets her independence enough to keep her life simple, no strings attached. As partner to her father's vast cattle ranch, she has enough to keep her busy without taking on a serious relationship with any of the women who clamor for her attention. When a neighboring aging rancher fills the Fleming's life with aggravation and vandalism, Taylor is forced to confront the old man's estranged daughter, Jen Holland. But convincing Jen to intervene becomes another task entirely. After an accident leaves Taylor with imposed bed rest, her cowgirl independence is tested to the limit. Soon Jen is facing an ultimatum: To keep her father's property from being sold on the courthouse steps, Jen must dust off her nursing skills and take on a job she could never have anticipated: being caregiver to the stubborn Taylor Fleming.

**The Cottage** Gerri Hill, 2007-06-01 Jill and Carrie, both married with teenage children, meet one day during Jill's lunch break at a local park. Soon a friendship is forged, a friendship that deepens with each visit. Jill's husband still lives and breathes the coach's life, a life that leaves him little time to spare for Jill. Left on her own more and more, Jill finds herself searching for the indefinable something that has been missing all her life. Married to a successful businessman, Carrie Howell retired early from a career in real estate to spend more time with her teenage boys and to pursue her lone passion: painting. She too has felt for some time that something is missing from her world. *The Cottage* is the non-traditional, heart-aching story of two women pulled by a force stronger than their marriages, stronger than themselves. The story of Jill and Carrie. Two women. One love.

**The Servants of Desire in Virginia Woolf's Shorter Fiction** Heather Levy, 2010 *The Servants of Desire in Virginia Woolf's Shorter Fiction* proposes an insight into the ways in which Virginia Woolf engaged with the questions of how class influences working women's occupation of private and public space and how material privilege or economic distress inhibits or encourages their likelihood of obtaining their intellectual, spiritual, and physical desires. This groundbreaking book uses class as the determining factor to assess how servants and working-class women occupy private and public space and articulate or fail to realize their desires. Drawing upon published and unpublished holograph and typescript drafts of the shorter fiction in *The Monks House Papers* as well as the Berg Collection, this book examines Woolf's oscillating patterns of elision, idealization, and contempt for the voices and desires of female servants, lesbians, gypsies, and other disenfranchised women. *The Servants of Desire in Virginia Woolf's Shorter Fiction* also assesses how the portrayal of working-class women in the shorter fiction becomes a vital template for the representation of working-class women in Woolf's novels and essays. This study of the cumulative portrayal of the working-class woman in all of Virginia Woolf's shorter fiction

will also be compelling for anyone interested in social justice especially for advocates of equality in gender race class sexuality conflicts     *The Feminist Porn Book* Tristan Taormino, Constance Penley, Celine Shimizu, Mireille Miller-Young, 2013-02-19 The Feminist Porn Book celebrates the power of desire turning the spotlight on an industry where feminism is thriving     **Queering Contemporary Gothic Narrative 1970-2012** Paulina Palmer, 2016-11-21 This book explores the development of queer Gothic fiction contextualizing it with reference to representations of queer sexualities and genders in eighteenth and nineteenth century Gothic as well as the sexual political perspectives generated by the 1970s lesbian and gay liberation movements and the development of queer theory in the 1990s The book examines the roles that Gothic motifs and narrative strategies play in depicting aspects of lesbian gay bisexual transsexual and intersex experience in contemporary Gothic fiction Gothic motifs discussed include spectrality the haunted house the vampire doppelganger and monster Regional Gothic and the contribution that Gothic tropes make to queer historical fiction and historiography receive attention as does the AIDS narrative Female Gothic and feminist perspectives are also explored Writers discussed include Peter Ackroyd Vincent Brome Jim Grimsley Alan Hollinghurst Randall Kenan Meg Kingston Michelle Paver Susan Swan Louise Tondeur Sarah Waters Kathleen Winter and Jeanette Winterson     **Queer Asian Cinema** ,2000
